The Machine Gunner:

The Machine Gunners Robert Westall, 1990 After an air raid a group of English children find a German machine gun and hide it from adults who are looking for it

Machine Gunner, 1914-18 C. E. Crutchley, 2013-11-28 In 1914 there were only two machine guns supporting a British infantry battalion of 800 men and in the light of the effectiveness of German and French machine guns the Machine Gun Corps was formed in October 1915 This remarkable book compiled and edited by C E Crutchley is a collection of the personal accounts of officers and men who served in the front lines with their machine guns in one of the most ghastly wars spread over three continents The strength of the book lies in the fact that these are the actual words of the soldiers themselves complete with characteristic modes of expression and oddities of emphasis and spelling All theatres of war are covered from the defence of the Suez Canal Gallipoli and Mesopotamia in the east to France and Flanders the German offensive of March 1918 and the final act on the Western Front that brought the war to an end October 2006 is the 90th anniversary of the formation of the Machine Gun Corps

Gunner's Glory Johnnie Clark, 2007-12-18 They were warriors trained to fight dedicated to their country and determined to win At Guadalcanal the Marine Corps machine gunners took everything the Japanese could throw at them in one of the bloodiest battles of World War II their position was so hopeless that at one point they were given the go ahead to surrender Near the Chosin Reservoir in Korea as the mercury dropped to twenty below the 1st Marine Division found itself surrounded and cut off by the enemy The outlook seemed so bleak that many in Washington had privately written off the men But surrender is not part of a Marine s vocabulary Gunner s Glory contains true stories of these and other tough battles in the Pacific in Korea and in Vietnam recounted by the machine gunners who fought them Bloody wounded sometimes barely alive they stayed with their guns delivering a stream of firepower that often turned defeat into victory and always made them the enemy s first target

The Machine Gunners Robert Westall, Michael Morpurgo, 2025-04 The 50th anniversary edition of Robert Westall s gripping first novel for children set during World War II Winner of the 1975 Carnegie Medal Chas McGill has the second best collection of war souvenirs in Garmouth but wants it to be the best When he stumbles across the wreckage of a downed German bomber he finds the ultimate trophy a working machine gun Hiding his discovery from the local police Chas recruits his friends and together they build a fortress for their prize But war is not a game and soon both friendships and loyalties are tested when the gang s actions have dangerous consequences Robert Westall wrote *The Machine Gunners* for his son Christopher based on his own experiences during the Second World War A modern classic of children s fiction it went on to win the CILIP Carnegie Medal in 1975 and has been in print ever since
