The Magnificent Seven:

The Making of The Magnificent Seven Brian Hannan,2015-10-14 The story behind The Magnificent Seven could have been a movie in itself It had everything actors strike writers strike Mexican government interference and a row between the screenwriters that left one removing his name from the credits all under the lingering gloom of post McCarthy era Hollywood A flop on release it later became a box office hit This book tells the behind the scenes story how Yul Brynner became the biggest independent producer in Hollywood why John Sturges was not the first choice after Brynner surrendered the director s chair why Sturges quit the truth about the Mirisch Company producers the details of the film s botched release and unlikely redemption the creation of Elmer Bernstein s classic score and how internecine fighting prevented the making of the television series in 1963 Myths about Steve McQueen his feud with Brynner and the scene stealing antics of the cast are debunked A close examination of the various screenplay drafts and the writers source material Akira Kurosawa s Seven Samurai shows who wrote what Extensive analysis of Sturges directorial work is provided **The Magnificent Seven** ,1960 The Magnificent Seven Cheryl St. John,2009 **Elmer Bernstein, Film Composer** Peter M. Bernstein,2023-11-15 Consider this new book the standard Bernstein biography Booklist Starred Review A behind the scenes look at the life and music of legendary Hollywood composer Elmer Bernstein the only person to be nominated for an Academy Award in every decade from the 1950s to the 2000s Over a career spanning 54 years he composed landmark scores in every available genre epics jazz westerns dramas and comedies and his credits read like list of the greatest films of his time The Ten Commandments The Magnificent Seven To Kill a Mockingbird The Man With the Golden Arm The Great Escape Ghostbusters to name just a few This biography written by Elmer s son Peter interweaves exclusive interviews oral histories not otherwise available estate archival materials and personal experiences Elmer Bernstein lived a colorful life he was a first generation American he was blacklisted and he was a fearless advocate for film music not afraid to take on anyone in pages of trade papers The book looks at many of his landmark scores in depth collaborations with various producers and directors and his success in navigating the rough and tumble of Hollywood There is much to his story a cycle of struggle success frustration failure and reinvention repeated many times over his career which connected the Old Hollywood with the modern era **Elmer Bernstein's The Magnificent Seven** Mariana Whitmer,2017-05-31 Released in late 1960 The Magnificent Seven was a Western reimagining of the 1954 Japanese film Seven Samurai Despite such stars as Steve McQueen Yul Brynner and Charles Bronson the film was not terribly successful when it premiered However in the years since the film has become recognized as a classic of the genre And though the movie received only one Academy Award nomination that honor was bestowed on Elmer Bernstein s rousing score Beyond the scope of the film the score has permeated American culture the music has been used in countless commercials and referenced on television shows like Cheers and The Simpsons But what makes this score so memorable In Elmer Bernstein s The Magnificent Seven A Film Score Guide Mariana Whitmer examines

the creation and development of one of the most iconic soundtracks in the history of cinema Whitmer explores the significance of the familiar score through a variety of lenses first delving into the background of Elmer Bernstein and his emergence as one of the key composers of the Silver Age of film music The author then traces Bernstein s early musical endeavors and considers why he was attracted to Americana music which particularly influenced his scoring of *The Magnificent Seven* The book also summarizes Bernstein s early Western scores noting that although they are clearly in the mainstream of the genre s musical style they are also enhanced by Bernstein s own distinctive touches Providing unique insights into the creation of this iconic score which was deemed one of the ten greatest film scores of all time by the American Film Institute this book explains what makes this music so enduring Elmer Bernstein s *The Magnificent Seven* A Film Score Guide will be of interest to cinema and music scholars in general as well as to fans of film music and the work of one of Hollywood s finest composers
