## **The Magnificent Spinster:**

*The Magnificent Spinster* May Sarton, 2014-12-16 May Sarton's powerful and profound novel of an extraordinary life and of one woman's efforts to preserve the force and vitality of her experiences on the pages of a book. For the second time in my life and I am now seventy I am embarking on an effort which may well come to nothing but which has possessed my mind haunts and will not let me sleep. From her opening statement Cam the narrator of *The Magnificent Spinster* declares her grand intentions to write a novel, a worthy and important one in celebration of her recently deceased friend and teacher Jane Reid whose dearth of family threatens the memory of her almost tangible greatness. And so she writes, re-creating Jane's childhood, adolescence and years as a teacher including the one in which Cam was her student. She writes of Jane's irrepressible spirit and the charming letters Jane penned about her adventures and she recounts Jane's growing isolation as she aged which rather than softening her only made her shine brighter. Raw, warm and beautifully rendered *The Magnificent Spinster* is a stunning achievement, part memoir, part epistolary recollection and part novel within a novel about friendship, memory and the power of a brilliant soul.

*The Magnificent Spinster* May Sarton, 1989-03 The magnificent spinster is Jane Reid, a teacher who became not only a revered role model but a dear friend to Cam, the narrator of this novel within a novel. After Jane's death, the accidental discovery of poems written by Cam in her youth to Jane prompts a flood of recollections and frees Cam to imagine in fiction Jane's passionately vibrant life.

***The Magnificent Spinster*** May Sarton, 1985

***The Novels of May Sarton Volume One*** May Sarton, 2017-11-28 Three luminous novels from a New York Times bestselling author and National Book Award finalist whose prose leaves compelling echoes in one's mind. The New York Times Book Review: Throughout her long and acclaimed career, May Sarton refused to be categorized. As a memoirist, poet and novelist, she broke new ground by openly exploring homosexuality, gender inequality and other once-taboo social issues. Gathered here in one volume are three of her most memorable and moving works of fiction: *Mrs. Stevens Hears the Mermaids Singing*, widely regarded as her most important work; Sarton's 1965 semiautobiographical novel centers upon Hillary Stevens, an author now in her twilight years. As she prepares to publish anew, Stevens sits down to discuss her life, the arc of her creative journey and her love affairs with both men and women. The plot of this short novel is deceptively simple, the mood subtle, the feeling intense. The New York Times Book Review: *A Shower of Summer Days*. The Irish estate home, Dene Court, has been shuttered for years, but this summer Violet Dene Gordon and her husband Charles return from British Burma, electrifying life in the sleepy village that adjoins Violet's childhood home. As an added complication, Violet's American niece is being sent to Ireland to separate her from an unsuitable romantic attachment. A National Book Award finalist, *A Shower of Summer Days* establishes once and for all Sarton's unmistakable authority. The New York Times Book Review: *The Magnificent Spinster*. This absolutely compelling monument to love and friendship is actually the story of two women: Cam, the novel's narrator, and the recently deceased Jane Reid. Unmarried and childless, Jane left no family to remember her, so Cam sets out to immortalize the

life of her quietly remarkable friend and teacher in fiction *The Cleveland Plain Dealer* *A spinster's tour in France, the states of Genoa, &c. during 1827, 1828* Rumors from the Cauldron Valerie Miner, 2014-08-19 An indispensable collection of essays reflecting on the historical and cultural relevance of feminist movements across the globe In these remarkably far reaching writings author and journalist Valerie Miner delivers a complex and engaging volume of essential reading This book touches on topics ranging from suburban housewives to lesbian identity to feminist thought Miner provides an important perspective on the interrelated concepts of authorship gender identity and social criticism Included are examinations of the works of Grace Paley Margaret Atwood and May Sarton meditations on writing and reflections on the cultural legacy of feminism Miner's insights are both perspicacious and thought provoking Written with profound passion and knowledge these tracts are of tremendous value to all readers engaged with the politics of equality The Self-identified Woman (spinster, Old Maid, Single, Never Married) Lorie Barker, 1992 May Sarton Margot Peters, 1998-06-23 From acclaimed writer Margot Peters comes the first completely authorized biography of novelist poet and feminist May Sarton Granted unprecedented access to personal papers and diaries Peters gives us a compelling look at the woman who influenced a legion of readers with rich and intimate writings and reveals the fascinating life that Sarton herself kept hidden Beginning with a young Sarton largely ignored by her parents Peters traces the compulsive quest for recognition and artistic inspiration that would characterize most of Sarton's life We witness her at nineteen as she chooses a life in the theater only to discover later her real passion writing As her literary career takes shape we watch her personal and professional struggles for acceptance her intense relationships with such learned friends as Muriel Rukeyser and Louise Bogan and her secret turmoil over her sexuality But ultimately we see Sarton begin to create in her works the image of a strong independent woman who lived peacefully with solitude an image that often contradicted the reality of her life *Old Maids to Radical Spinsters* Laura L.
