William F. Nolan

The Making Of A Gunman:

The Making of a Gunman Max Brand,1954 **Gunman's Rendezvous** Max Brand,2015-01-20 A wounded gunslinger fights for his life in this collection of three classic stories from one of the most popular Western authors of all time Luck is initially on Cheyenne s side in **Gunman s Bluff** as he manages to kill one Martin brother and wound the other in a shootout But in the process Cheyenne himself is shot in the shoulder and it will be a while before he ll have use of his right hand But with the Martin family immediately out for revenge Cheyenne doesn t have time to heal and he ll need more than just one good hand to keep him alive **Torridon** tells the story of Paul Torridon raised from the age of seven by his family s archrivals the **Bretts** Over the years the hatred between the local clans slows to a simmer until one day a majestic Brett family colt becomes a one man horse to none other than Paul Torridon Finally in the title story wealthy rancher Oliver Lane is believed to be near death Lane s will calls for his entire fortune to be passed along to his drifter nephew Sandy Lane but only if Sandy should return before a set date After that it s all up for grabs for Henry Barnes and Barnes is not one to leave such matters to chance Max Brand has been captivating audiences for generations with his vivid tales of wild frontier exploits **Gunman s Rendezvous** finds the legendary author in top form spinning three edge of your seat stories that find rugged heroes in life and death situations Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Gunman's Song** Ralph Cotton,2013-06-04 **AND THE LAST SHALL BE FAST** Lawrence Shaw once got a boost out of being the quickest gun alive Now he s partial to telling gunfighter stories rather than living them But that doesn t stop every ornery shootist with an itchy trigger finger from trying to pull iron on **Fast Larry Shaw** or a group of gamblers from wagering five grand on who will kill him or a gang of cutthroat saddle tramps from slaying his wife while in search of him Racked with guilt for not saving his beloved Shaw vows to shorten the life expectancy of her murderers and any other hardcase who even thinks of sending hot lead his way *Report of the Crime Commission* New York (State). Crime Commission,1928 1928 include also reports of sub commissions on statistics courts police penal institutions adjustment of sentences psychiatric and expert testimony in criminal cases the causes and effects of crime etc **The Stumbling Herd** John Antonio Moroso,1923 *Collier's* ,1925 **Legislative Document** New York (State). Legislature,1930 **New York Legislative Documents** New York (State). Legislature,1928 *The Story of Him* Maruxa Vilalta,1980 **The Architecture of Law** Brian M. McCall,2018-05-30 This book argues that classical natural law jurisprudence provides a superior answer to the questions What is law and How should law be made rather than those provided by legal positivism and new natural law theories What is law How should law be

made Using St Thomas Aquinas's analogy of God as an architect Brian McCall argues that classical natural law jurisprudence provides an answer to these questions far superior to those provided by legal positivism or the new natural law theories The Architecture of Law explores the metaphor of law as an architectural building project with eternal law as the foundation natural law as the frame divine law as the guidance provided by the architect and human law as the provider of the defining details and ornamentation Classical jurisprudence is presented as a synthesis of the work of the greatest minds of antiquity and the medieval period including Cicero Aristotle Gratian Augustine and Aquinas the significant texts of each receive detailed exposition in these pages Along with McCall's development of the architectural image he raises a question that becomes a running theme throughout the book To what extent does one need to know God to accept and understand natural law jurisprudence given its foundational premise that all authority comes from God The separation of the study of law from knowledge of theology and morality McCall argues only results in the impoverishment of our understanding of law He concludes that they must be reunited in order for jurisprudence to flourish This book will appeal to academics students in law philosophy and theology and to all those interested in legal or political philosophy **Wild Trail** A.M.
