The Seraphim Box:

The Seraphim Box Genia Knight,2004-03-31 Deep in the pits of Hades Lucifer waits patiently For centuries he has chased the key to the abyss only to have it escape his grasp This time he is closer than ever before Once he has it he will rule the Earth forever destroying the Maker s plans Hope Malloy works at the local museum that specializes in Biblical artifacts performing research for the handsome archaeologist Professor Matthew Peterson An avid collector of antiques she is thrilled to find a new antique store on her usual weekend excursion The old wooden box she purchases seems harmless enough until strange things begin to happen in her small mountain community Could the recent string of murders be connected to the box Hope must learn to trust God to escape the evil that surrounds her She must also confront her fear of relationships as she and Matt battle the demons that surround them

Angels, Let's Talk Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18 I Give a Damn Orlando Constantine,2007-10 This booklet is simply a further abridge form of the book Angels Let s Talk which was collection of blog posts from the blog Dew due From Heaven Light 2 U Blog For as asked on the back cover of that book Why are you angels here where are you coming from and do you give a damn where you are going So those who believe give a damn and would declare I Give A Damn Or I believe I care I as an angel want to be saved How Where Why I believe and I want to receive That sincere rhetoric of an angel is coined in this verses I believe help thou mine unbelief Mark 9 24 This booklet intends to identify those key areas of that book and those posts but that book is also a must read for development Thanks and God bless
