The Virtual Kibbutz:

The Virtual Kibbutz Ellis Shuman, 2003 For over fifty years the magnificent oak tree stood as a solitary landmark in the middle of the valley witnessing the cool wet winters and the hot humid summers Young pioneers established a new kibbutz nearby celebrating their collective way of life in the shade of the tree Decades later the kibbutz is not the same Its members idealism has changed Can the community still be considered a kibbutz In this debut collection of stories the author introduces you to kibbutz residents challenged with adapting to new realities Along the way you ll see how kibbutzniks face up to the violence of the Intifada cope with the Internet and struggle to have more control over their lives Meet a clown who uses magic to heal the wounds of terror victims a veteran dairy worker who has difficulties bidding farewell to an albino cow a farmer who must decide what to do with the prize money of a lottery and a reporter who is researching comedian Jerry Seinfeld s kibbutz past These are the stories of Israel s unique society of the changes and dilemmas it faces and of the hopes challenges and dreams of those who continue to call the kibbutz their home *Imagining the Kibbutz* Ranen

Omer-Sherman, 2015-04-13 In *Imagining the Kibbutz* Ranen Omer Sherman explores the literary and cinematic representations of the socialist experiment that became history s most successfully sustained communal enterprise Inspired in part by the kibbutz movement s recent commemoration of its centennial this study responds to a significant gap in scholarship Numerous sociological and economic studies have appeared but no book length study has ever addressed the tremendous range of critically imaginative portrayals of the kibbutz This diachronic study addresses novels short fiction memoirs and cinematic portrayals of the kibbutz by both kibbutz insiders including those born and raised there as well as those who joined the kibbutz as immigrants or migrants from the city and outsiders For these artists the kibbutz is a crucial microcosm for understanding Israeli values and identity The central drama explored in their works is the monumental tension between the individual and the collective between individual aspiration and ideological rigor between self sacrifice and self fulfillment Portraying kibbutz life honestly demands retaining at least two oppositional things in mind at once the absolute necessity of euphoric dreaming and the mellowing inevitability of disillusionment As such these artists imaginative witnessing of the fraught relation between the collective and the citizen soldier is the story of Israel itself **Jewish**

Topographies Julia Brauch, Anna Lipphardt, 2016-05-06 How have Jews experienced their environments and how have they engaged with specific places How do Jewish spaces emerge how are they contested performed and used With these questions in mind this anthology focuses on the production of Jewish space and lived Jewish spaces and sheds light on their diversity inter connectedness and multi dimensionality By exploring historical and contemporary case studies from around the world the essays collected here shift the temporal focus generally applied to Jewish civilization to a spatially oriented perspective The reader encounters sites such as the gardens cultivated in the Ghettos during World War II the Israeli development town of Netivot Thornhill an Orthodox suburb of Toronto or new virtual sites of Jewish Second Life on the Internet and learns

about the Jewish landkentenish movement in Interwar Poland the Jewish connection to the sea and the culinary landscapes of Russian Jews in New York Employing an interdisciplinary approach with a strong foothold in cultural history and cultural anthropology this anthology introduces new methodological and conceptual approaches to the study of the spatial aspects of Jewish civilization The Kibbutz Israel Shepher, Joseph R.
