

## Great Wagon Road Map

The map represents the research and groundwork by the Great Wagon Road Project since 2019. The original route began as a footpath and a horse trail prior to 1750. Thousands of families traveled the route to settle the southern colonies between 1745 and 1751. The original route consisted of 478 miles reaching from Pennsylvania to North Carolina. The project's goal is to preserve the history and the significance that the road represents to colonial migration.
