Laurence Conway

The Warm Summer:

Sing and Learn! Laurence Conway, 2009 Educator and writer Laurence Conway's *Sing and Learn* is an educational songbook for children ages 5 to 11 years. Laurence's unique and exciting approach takes the boredom out of learning and introduces an alternative approach to effective education. Contained in this invaluable book are subjects that are common in an educational curriculum: literacy, mathematics, geography, history, art, music, and gymnastics, all inspiringly presented and all set to a musical theme. Conway also introduces matters of social and environmental importance through his songwriting. Topics such as the environment, safety, tolerance, and the magic of the four seasons are just a few that children will learn about through his lyrical narration. The overall focus is on positive social interaction and developing better skills, knowledge, and understanding within their school subjects. Parents and teachers alike will welcome this treasure of a book. It not only provides a useful and user-friendly tool for teaching with its sheet music style pages, projection allowed lyrics, and free mp3 downloads of all the songs, each in vocals included and backing only versions, it also sparks creativity and learning for both the musically and non-musically inclined students. Downloadable music files are available on the book's webpage: <http://www.eloquentbooks.com/SingAndLearn.html>. About the Author: Laurence Conway is a writer, songwriter, and has been an educator for several years. Mr. Conway uses his songs on a daily basis for his classes and has been doing so since the early 1990s. He has written several songs and is currently writing his second music-themed book geared toward positive thinking for children. He lives in the U.K.

Hot Summer Elle Everhart, 2024-06-25 Sparks fly when a young woman finds herself cast on a Love Island inspired reality show and has to choose between her heart and her strategy in this sizzling new queer romantic comedy from the beloved author of *Wanderlust*. This summer things are about to heat up. Cas Morgan has spent years of her life watching *Hot Summer*, the hit reality dating show that pairs together a bunch of sexy singles in an exotic island location. Like the rest of the TV watching UK public, she's captivated by the hot contestants' outrageous fights and hilarious banter. But she never quite thought she'd be a part of it until her company secures a partnership with the production team behind the show, and Cas is handpicked as a contestant. She won't get any extra help making it through the eight weeks in the hot Cypriot sun, but if she does well and makes it to the finals, her long-awaited promotion will be secured. Cas is ready to spend the summer trying to make herself more likeable to win over the voting public, and if not likeable, then at least iconic. But just as she steps into the villa, her entire plan goes off course. She's instantly smitten with fellow contestant Ada, who shockingly appears to be on the show to find a genuine relationship, one Cas can't give. Ada is gorgeous and charming and seems to like Cas exactly as she is, sharp edges and all. Cas isn't used to the side of herself Ada brings out, and when their connection becomes undeniable, Cas's own standing in the villa is precarious. She's torn between listening to her heart or sticking to her strategy.
