Trusting Eyes:

Investigating Dickens' Style M. Hori, 2016-05-20 This new corpus driven approach to the study of language and style of literary texts makes use of the Dickens 4 6 million word corpus for a detailed examination of patterns of lexical collocations It offers new insights into Dickens linguistic innovation together with a nuanced understanding of his use of language to achieve stylistic ends At the centre of the study is a close analysis of the two narratives in *Bleak House* read as a focal point for consideration of Dickens stylistic development through his whole writing life

Stepping into Trust Brenda Rausch, 2018-10-25 Run Run from fear Run to overachievement Her running began with the loss of her mother in adolescence Then if that wasn't enough she lost her father to a massive stroke That pushed her to run further into perfectionism and an advancing career On the surface she was a successful professional who lived with a go big or go home attitude But that was the surface Underneath the bravado a deep depression led to self medication and addiction to alcohol This is a story about overcoming addiction with God's help It is a story about addiction and recovery and the faith to overcome It is a brave story about addiction and recovery told through poetry and raw experiences *Stepping Into Trust* guides readers to discover steps to recovery and the hope that leads to healing Author Brenda Rausch writes from the heart to connect with the emotional pain of dark moments and the joy of walking into deeper trust belonging and inner peace It's one of those unique books about addiction and recovery that deals with past emotional trauma and the incredible healing process of trusting God You're not alone Brenda Rausch understands She understands the power of addiction and the challenges of recovery Through her inspiring journey to recovery you'll learn how to overcome addiction with God through art poetry and personal stories *Stepping into Trust A Poetic Journey of Recovery* lyrically details a recovering addict's path to acceptance and healing as she learns to trust in God herself and the power of personal transformation Start your journey to recovery today

A Journey to Seeking God, Real or Myth? Florence Gaspar Muzi, 2020-10-20 A true story and now a speaker of God's love and his empowerment bringing one around not only to the love of God but to work towards the image of his son in obedience and love of the Father the goal is to love one another as he so loves us yes sometimes difficult I sit here in my little Eden my backyard I hear the mockingbird serenading in the background a gift from nature and God who has put joy back into my life and love I comfortably write these words from witness of my children and myself it is my hope that everyone that reads and witnesses God's supernatural will share it with another and another and another that we will speak freely the full story of witness Perhaps the atheists who believe they can do it alone and in their last moments of life call for a priest suddenly there not sure God is real and there A change of heart is different from a change of mind think

Sun Dancing Michael Hull, 2000-10-01 A powerful story of one man's redemption through the Lakota Sun Dance ceremony Written by the only white man to be confirmed as a Sundance Chief by traditional Lakota elders Includes

forewords by prominent Lakota spiritual leaders Leonard Crow Dog Charles Chipps Mary Thunder and Jamie Sams The Sun Dance is the largest and most important ceremony in the Lakota spiritual tradition the one that ensures the life of the people for another year In 1988 Michael Hull was extended an invitation to join in a Sun Dance by Lakota elder Leonard Crow Dog a controversial action because Hull is white This was the beginning of a spiritual journey that increasingly interwove the life of the author with the people process and elements of Lakota spirituality On this journey on the Red Road Michael Hull confronted firsthand the transformational power of Lakota spiritual practice and the deep ambivalence many Indians had about opening their ceremonies to a white man Sun Dancing presents a profound look at the elements of traditional Lakota ceremonial practice and the ways in which ceremony is regarded as life giving by the Lakota Through his commitment to following the Red Road Michael Hull gradually won acceptance in a community that has rejected other attempts by white America to absorb its spiritual practices leading to the extraordinary step of his confirmation as a Sun Dance Chief by Leonard Crow Dog and other Lakota spiritual leaders
