Truth About Chronic Pain:

The Painful Truth Lynn R. Webster, 2016-12 Chronic pain is one of the most common medical problems in the modern world today yet our culture ignores it Webster validates the debilitating nature of pain offers practical answers and helps you become a catalyst for changing the way pain is viewed in society **The Painful Truth** Lynn R. Webster, 2015-03-02 Chronic pain is the most common medical problem in America today yet our culture ignores it Webster validates the debilitating nature of pain offers practical answers and helps you become a catalyst for changing the way pain is viewed in society *The Truth about Chronic Pain* Arthur Rosenfeld, 2004-12-29 It's all in your head Learn to bear it That drug will make you a junkie For the more than 75 million Americans affected by chronic pain these are fighting words Despite extraordinary medical progress in recent years millions of people debilitated by the pain of incurable cancer crippling arthritis unremitting headaches and a host of degenerative disorders continue to suffer needlessly Here in their own words are the stories of more than forty people whose lives are dictated by pain patients healthcare professionals ethicists social commentators and scientists shining a powerful searchlight on America's most misunderstood health problem The Truth About Chronic Pain reveals why pain is so often ignored or under treated Among the reasons are the widespread belief that pain is a sign of weakness and the unfounded fears that properly administered painkillers will cause addiction As bureaucrats doctors and pharmacists become adversaries in the War on Drugs people in pain are often denied the relief they need The voices on these pages are an eloquent testament to individual courage and a powerful plea to medical institutions political leaders and insurance companies to implement effective solutions to the problem of pain The Painful Truth Lynn R. Webster, 2016 Dr Webster puts a face on chronic pain through describing the lives of patients The Painful Truth opens readers eyes to a population who are stigmatized and marginalized by society Yet the work offers a path forward for those willing to engage in a crusade against our primal enemy pain Fast Facts about Medical Cannabis and Opioids Gregory Smith, Kevin Smith, 2020-03-18 Note to Readers Publisher does not guarantee quality or access to any included digital components if book is purchased through a third party seller Helps nurses to provide the best and safest care for patients suffering from chronic pain This is the first book to discuss the use of medical cannabis in helping combat the opioid crisis relieving pain and reversing opioid addiction rates With information presented in short chapters with bulleted content this concise resource delivers all the information healthcare professionals need to know about non cancer related chronic pain the opioid crisis and medical cannabis Using the most up to date evidence available it examines the varied causes of chronic pain and provides a succinct overview of how cannabis can be integrated into treatment plans Fast Facts About Medical Cannabis and Opioids delves into the epidemiology behind chronic pain what the endocannabinoid system is and how it works It examines the complex interactions of opiates cannabinoids and the central nervous system and answers key questions about different types of medical cannabis to promote open honest conversations Above all this handbook provides
