

An aerial photograph of a town at dusk. The foreground shows a dirt embankment with some greenery. The middle ground features several buildings, including a prominent white building with a tall steeple. The background is dominated by large, rugged mountains under a soft, twilight sky. The text "things to do in truth or consequences" is overlaid in the center of the image.

## **Truth And Consequences:**

*Truth or Consequences* M. Dunn, Krister Segerberg, 2012-12-06 The essays in this collection are written by students colleagues and friends of Nuel Belnap to honor him on his sixtieth birthday Our original plan was to include pieces from former students only but we have deviated from this ever so slightly for a variety of personal and practical reasons Belnap's research accomplishments are numerous and well known He has founded together with Alan Ross Anderson a whole branch of logic known as relevance logic He has made contributions of fundamental importance to the logic of questions His work in modal logic formal pragmatics and the theory of truth has been highly influential And the list goes on Belnap's accomplishments as a teacher are also distinguished and well known but by virtue of the essential privacy of the teaching relationship not so well understood We would like to reflect a little on what makes him such an outstanding teacher

Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter

and spirit of God's laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation's point of reference It is the Christian's duty to show that the valid rule of God's law the letter of God's law and the spirit of God's law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth
