Media Responsibility Richard L. Sartore, 2000-09-22 The writing focuses on the responsibility media has in today's society Too frequently the accuracy reliability and validity of media stories is questioned As noted in the introduction what is the public to believe and what guidelines are available to weigh what is or is not true Solid factual reporting is freely mixed with opinions It goes on to say that clearly the book is not designed as an unwarranted attack on conventional or tabloid reporting Rather its goal is intended to stir public media awareness allowing readers to examine materials transmitted and absorbed When we can isolate and categorize media substance then we capably decide what is factual journalism and what's fiction The writing focuses on the responsibility media has in today's society Too frequently the accuracy reliability and validity of media stories is questioned As noted in the introduction what is the public to believe and what guidelines are available to weigh what is or is not true Solid factual reporting is freely mixed with opinions It goes on to say that clearly the book is not designed as an unwarranted attack on conventional or tabloid reporting Rather its goal is intended to stir public media awareness allowing readers to examine materials transmitted and absorbed When we can isolate and categorize media substance then we capably decide what is factual journalism and what's fiction
