Twenty-One Years' Salvation Army George Scott Railton, 2016-06-20 Excerpt from *Twenty One Years' Salvation Army Under the Generalship of William Booth* A second event that had a powerful influence upon my early character and my after life was the remarkable way with which I saw the application of the principle which I had seen so successfully acted upon among the religious portion of the community to some of the poorest and most desolate people in the town Directly after this awakening I was laid aside with a violent attack of fever My life was in danger but God mercifully restored me to health and I went out to devote my spared life to the work of saving souls which became ever after the supreme business of my existence During my illness some of my comrades had gone down to one of the poorest parts of the town and commenced meetings in the same spirit as the great revival which had just closed in the big chapel From time to time they sent notes to my sick chamber telling how they wanted me to help them and so soon as able I went out and joined them in their struggle and became a leader in the fight About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Twenty-one Years' Salvation Army Under the**
