Two Comic Dialogues Ionhippias Major:

Two Comic Dialogues Plato,2010 **Two Comic Dialogues** Plato,1983-01-01 Together these two dialogues contain Plato s most important work on poetry and beauty **Plato and the Question of Beauty** Drew A. Hyland,2008-05-28 Drew A Hyland one of Continental philosophy s keenest interpreters of Plato takes up the question of beauty in three Platonic dialogues the Hippias Major Symposium and Phaedrus What Plato meant by beauty is not easily characterized and Hyland s close readings show that Plato ultimately gives up on the possibility of a definition Plato s failure however tells us something important about beauty that it cannot be reduced to logos Exploring questions surrounding love memory and ideal form Hyland draws out the connections between beauty the possibility of philosophy and philosophical living This new reading of Plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy **The Aesthetics of Food** Kevin W. Sweeney,2017-12-29 The Aesthetics of Food sets out the continuing philosophical debate about the aesthetic nature of food The debate begins with Plato s claim that only objects of sight and hearing could be beautiful consequently food as something we smell and taste could not be beautiful Plato s sceptical position has been both supported and opposed in one form or another throughout the ages This book demonstrates how the current debate has evolved and critically assesses that debate showing how it has been influenced by the changing nature of critical theory and changes in art historical paradigms Expressionism Modernism and Post modernism as well as by recent advances in neuroscience It also traces changes in our understanding of the sensory experience of food and drink from viewing taste as a simple single sense to current views on its complex multi sensory nature Particular attention is paid to recent philosophical discussion about wine whether an interest in a wine reflects only a subjective or personal preference or whether one can make objective judgments about the quality and merit of a wine Finally the book explores how the debate has been informed by changes in the cooking presenting and consuming of food for example by the appearance of the restaurant in the early nineteenth century as well as the rise of celebrity chefs *Alcibiades and the Socratic Lover-Educator* ,2013-02-14 In the Platonic work Alcibiades I a divinely guided Socrates adopts the guise of a lover in order to divert Alcibiades from an unthinking political career The contributors to this carefully focussed volume cover aspects of the background to the work its arguments and the philosophical issues it raises its relationship to other Platonic texts and its subsequent history up to the time of the Neoplatonists Despite its ancient prominence the authorship of Alcibiades I is still unsettled the essays and two appendices one historical and one stylometric come together to suggest answers to this tantalising question **Resources in Ancient Philosophy** Albert A. Bell Jr.,Albert A. Bell,James B. Allis,1991 This guide covers all philosophers appearing in standard textbooks from Thales 580 BC to Augustine 400 AD A brief introduction to each thinker or school summarizes their major themes and gives the nonspecialist some idea of the most important problems involved in studying that philosopher Introductions are provided for each of Plato s dialogues and for various aspects of his thought and of Aristotle s views The

compilers include older books reprinted during this period older articles included in anthologies and bibliographies on each author regardless of date of publication Each of the more than 7 700 items is annotated Cross references and an index of terms are also included *The Hippias Major* Plato,1928 **1/2/3/4 For the Show** Lewis W.
