

Introduction

‘Two Gentlemen of Verona’ is all about the two teenage brothers who prove that they are more than their age in gentlemanliness and humanism. Despite their boyish nature they act like adults and brave the struggles of life. How they look after their sister is just rare. It shows great human values.

The narrator’s meeting the two brothers

The narrator says that as they drove through the foothills of the Alps two boys stopped them on the outskirts of Verona (Italy). They were selling wild strawberries. The narrator’s driver asked him not to buy these.
