Two Girls One Boy:

Annual Reports New Jersey. Inspector of Factories and Workshops,1884 **Decoupling** Ethan Michelson,2022-03-31
Michelson's analysis of almost 150 000 divorce trials reveals routine and egregious violations of China's own laws upholding
the freedom of divorce gender equality and the protection of women's physical security Using big data computational
techniques to scrutinize cases covering 2009 2016 from all 252 basic level courts in two Chinese provinces Henan and
Zhejiang Michelson reveals that women have borne the brunt of a dramatic intensification since the mid 2000s of a decades
long practice of denying divorce requests This book takes the reader upstream to the institutional sources of China's
clampdown on divorce and downstream to its devastating and highly gendered human toll showing how judges in an
overburdened court system clear their oppressive dockets at the expense of women's lawful rights and interests This book is
a must read for anyone interested in Chinese courts judicial decision making family law gender violence and the limits and
possibilities of the globalization of law This title is also available as Open Access on Cambridge Core *Transactions of the
