Two silly owls discover that things are not always what they appear to be *Snow Time to Die* Annie McEwen,2025-02-18
Winter has wrapped the Wisconsin Northwoods in a bitter chill and Emmy Cooper's family lake cottage resort Cooper's Cove is no exception But it's someone from Emmy's past who's about to bring the real frostbite A stormy mix up at a local hotel reroutes an unwanted group of guests to Cooper's Cove Resort including Emmy's former boss and the reason Emmy slunk home with her tail between her legs Gwenda Caperwell As if being face to face with an old grudge wasn't bad enough a fierce blizzard picks that moment to strike leaving Emmy snowed in with her least favorite person on earth But things go from bad to downright chilling when Gwenda suddenly turns up dead colder than the January air and Emmy's snowed in with a corpse With the roads impassable and the safety of the other guests at stake the local law enforcement had no choice but to rely on Emmy and her parents to help solve the mystery and catch the real killer much to the dismay of Emmy's love interest Officer Dean Erickson But it quickly becomes clear that plenty of the other guests snowed in at Cooper's Cove had a reason to want the Gwenda dead Battling through drifts of secrets and lies Emmy must navigate the frosty web of suspicion to uncover the murderer before the next victim is iced Will have you laughing and near crying I realize that these are fictional characters but Annie McEwen has such a talent for bringing them to life I have enjoyed books one and two so much that I can't wait to see what she brings us in book three Kings River Life Magazine This was a fun book and I can't wait for the next book in this delightfully entertaining new series that is a welcome addition to the cozy genre Dru's Book Musings **The Snow People of Ickle Village** D. K. McMullin,2013-04-17 Far below the beautiful snow covered mountains beyond the dense forest snuggled in the quiet serene valley lies tiny Ickle Village The home to all snow people Each year new snow people come to settle in build their homes and live the wonderful life given to them by the Power of the Mountains This little story evolved from my hobby of making painting decorating and selling miniature wooden snow people While working on them I imagine them doing different things having different expressions and try to create them in that fashion Many many hours have been spent in this wonderful fantasy world of snow people *Two Hoots and the King* Helen Cresswell,1988-12-12 The two Hoots request the gift of wisdom from a small yellow bird they are convinced is the king of the sun *Double Agent Snow* James Hayward,2013-01-03 On the eve of the outbreak of the Second World War the double agent Arthur Owens codenamed SNOW is summoned to Berlin and appointed Hitler's chief spy in Britain Days later he finds himself in Wandsworth prison betrayed by the wife he traded for a younger model and forced to transmit false wireless messages for MI5 to earn his freedom and avoid the hangman's noose A vain and devious anti hero with no moral compass Owen's motives were status money and women He mixed fact with fiction constantly and at times insisted that he was a true patriot undertaking hazardous secret missions for his mother country at other times Owens saw himself as a daring rogue

agent outwitting British Intelligence and loyal only to the Fatherland Yet in 1944 as Allied troops stormed the beaches of Normandy on D Day Hitler was caught unawares tricked into expecting the invasion across the Pas de Calais in a strategic deception played out by Owens and the double cross agents of MI5 For all his flaws Agent Snow became the traitor who saved his country Based on recently declassified MI5 files and previously unpublished sources Double Agent Snow is the story of a secret Battle of Britain fought by Snow and his opposing spymasters Thomas Tar Robertson of MI5 and Nikolaus Ritter of the Abwehr as well as the tragic love triangle between Owens his wife Irene and his mistress Lily Funnell The evocative fast paced narrative moves from seedy south London pubs to North Sea trawlers from chic Baltic spa resorts to Dartmoor gaol populated by a colourful rogues gallery of double cross agents
