

WILBERFORCE
A NARRATIVE

E. COUPLAND

Author of "The Slave Question"
and "Narrative of the Proceedings of the
Parliament of 1833"

WILLIAM WILBERFORCE is best known as "the Emancipator", and a large part of this narrative of his life describes his greatest achievement, the Abolition of the Slave Trade.

But there were many other sides to his life. He was a great Parliamentarian. One of an old Yorkshire family, he held the seat for the county from 1794 to 1830, and he played a leading part in the politics of that crucial period. Not the least interesting feature of his political career, as recorded in his diary and correspondence, was his intimate friendship with Pitt.

And he was a great Statesman. Connected in the midst of his brilliant life in London society he also became a practical Christian, by means of his acquaintance with the Evangelical movement, and he was the great of his generation. "Clarendon House" provided a useful example of the application of Christian principles to political and social life.
