Virginia Ogden Birdsall

Wild Civility:

Wild Civility David Biespiel,2016-06-01 David Biespiel s long poetic lines crackle with rhythmic energy and a jazzy bittersweet richness of language Rolling out across the page like darkly luminous highways his innovative nine line American sonnets promise adventure offering a variant on the sonnet form that is both lyric and dramatic and bringing his masterful formal inventiveness to free verse I ve come to imagine the nine line sonnet to be like one of those classic Thunderbirds says Biespiel something distinctly American wide roomy and with a robust engine The vastly varied voices within the poems are united by a wonderfully limber diction Using with revelatory precision the vocabularies of history science art sport philosophy religion literature government and domestic life Biespiel has crafted a hip melodic elastic language that travels the registers of expression lush and coarse gaudy and austere pliant and rigidly tough The civility of the poems is the form the wildness is the bristling energy of the language Passionate resilient rich with wit and word play these poems affirm David Biespiel s increasing stature as a poet of remarkable accomplishment and promise

Wild Civility Virginia Ogden Birdsall,1970 *Wild Civility* Virginia Ogden Birdsall, **'A WILD CIVILITY': ROBERT HERRICK'S POETIC SOLUTION OF THE PARADOX OF ART AND NATURE.** RICHARD JOHN ROSS,1958 **A wild civility** Patrick J. Keane,1980

Wild Civility Erica Hamel,2012 This heuristic inquiry examines if the foundations of social justice knowledge and beliefs are developed as a result of participation in a wilderness program As a means to provide background knowledge this study traces the evolution and present day definitions of experiential education outdoor education and wilderness programs The historical foundations and present day definitions of social justice are also outlined This book also delves into the processes of heuristic inquiry and situated this present study within this qualitative methodology The specific research methods used in this study are outlined with results and conclusions presented This study concludes that certain foundations of social justice can be developed through participation in a wilderness program

The Poet's Tomb Martin Corless-Smith,2020-04-23 Every poem an epitaph every poem a ticket to ride from Sappho s bittersweet eroticism to the wild civility of Robert Herrick Martin Corless Smith is a poet painter and translator of canonical poems and each of these vocations is on view in this memorable defense of poetry as he reads from Virgil to Notley in sight of the impossible blue of Bellini s Doge Leonardo Loredan and Piranesi s otherworldly Pyramid of Cestius while contemplating the paradoxes of the finite body of the poet dreaming immortal poetry Keith Tuma Querying the embodiment of poetry Corless Smith begins in the body of the poet living and or dead and passes from there through the body of the reader in order to argue the mutual construction of the body of a poem as a shared body and a new commons which like all things vital to survival air water hope must be maintained as open and available to all These succinct elegant essays perform this maintenance and in the process return us to all poetry charged with the energy and insight necessary to continue that maintenance ourselves Cole Swensen

The Idea of Nature in Disney Animation David Whitley,2016-03-03 In the second edition of *The Idea of Nature* in

Disney Animation David Whitley updates his 2008 book to reflect recent developments in Disney and Disney Pixar animation such as the apocalyptic tale of earth's failed ecosystem WALL E As Whitley has shown and Disney's newest films continue to demonstrate the messages animated films convey about the natural world are of crucial importance to their child viewers Beginning with Snow White Whitley examines a wide range of Disney's feature animations in which images of wild nature are central to the narrative He challenges the notion that the sentimentality of the Disney aesthetic an oft criticized aspect of such films as Bambi The Jungle Book Pocahontas Beauty and the Beast and Finding Nemo necessarily prevents audiences from developing a critical awareness of contested environmental issues On the contrary even as the films communicate the central ideologies of the times in which they were produced they also express the ambiguities and tensions that underlie these dominant values In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience

Deconstructing Zen William C. Dell, 2010

Early Modern Civil Discourses J. Richards, 2003-09-09 This collection explores the concept of civility in the early modern period It addresses a range of writings in English and Scots among them conduct manuals colonial tracts diaries letters dialogues poetry drama chronicles by English Welsh and Scots men and women in and about the Atlantic archipelago It explores the many meanings of civility in the early modern period it recovers some of the lost associations of civility as well as the complex use of the adjectives civil and barbarous in cultural and colonial encounters

Notes for a New Mind William Dell, 2005 What is known about the split brain is reviewed in a historical context as a paradigm for a new mind The poetry of William Wordsworth is examined as a precursor to this mentality The possibility of a new mind and its new myth the deconstruction emerging from the split brain in the modern world is set forth The last issue of consciousness perhaps is not the resolution of duality but is the multiform periphery The question is am I more than my brain

The Hesperides & Noble Numbers Robert Herrick, 1898

Flora Annie Steel Susmita Roye, 2017-03-23 A collection of essays on the writer who after Rudyard Kipling was the most famous nineteenth century British author to depict India Nineteenth Century Literature Flora Annie Steel 1847-1929 was a contemporary of Rudyard Kipling and rivaled his popularity as a writer during her lifetime but her legacy faded due to gender biased politics She spent twenty two years in India mainly in the Punjab This collection is the first to focus entirely on this unconventional memsahib and her contribution to turn of the century Anglo Indian literature The eight essays draw attention to Steel's multifaceted work ranging from fiction to journalism to letter writing from housekeeping manuals to philanthropic activities These essays by recognized experts on her life and work will appeal to interdisciplinary scholars and readers in the fields of British India and Women's Studies Contributors Amrita Banerjee Helen Pike Bauer Ralph Crane Grinne Goodwin Alan Johnson Anna Johnston Danielle Nielsen LeeAnne M Richardson Susmita Roye Going beyond Steel's most

famous and widely discussed work *On the Face of the Waters* this excellent volume strives to shed light on her less well known novels such as *The Potter's Thumb* and *Voices in the Night* A Chromatic Fantasia as well as her short fiction and other genres of her writing that have not received much attention from literary critics including housekeeping advice journalism and letters to editors Oxford University Press Journals The essays in this volume treat topics ranging from Steel's rewriting of women's role in the maintenance of British power to her sympathetic representation of the wit and creativity of Indian girls

Studies in English Literature 1500-1900 *The Vassar Miscellany Monthly* ,1916 *Life and Letters* ,1930 *Familiar Quotations* John Bartlett,1897 *Familiar Quotations* ,1909 *Life and Letters and the London Mercury and Bookman* ,1930 *Selections from the Poetry of Robert Herrick* Robert Herrick,1895 *Familiar Quotations* ,1891
