Piet, Cari Z, Wayne Mansfield, Elizabeth Hyder, 2011-06 Other worlds other planes of existence other places where humans are not the only type of creature to walk and talk Human like animals populate the pages of *Wild Passions* These are not shifters but humanoid animals that experience love and lust in their sometimes wild sometimes civilized worlds Meet Liam a half fox in a world where urban jungle isn't a metaphor When trouble comes in the form of an organized militia looking to experiment Liam must put his trust where he never expected in the hands of a human Koit is a Shterpi a reptilian alien with a reputation for womanizing A dare from a friend has Koit changing his target to other men and he finds that variety really is the spice of life Alec and Nahale are feral Maith genetic offshoots from a fantastic race Under pressure Alec challenges Nahale for leadership of their clan threatening to destroy the relationship they'd been building for years Panos only wants to live a normal life free from the secret that's kept him isolated from others However he still needs a roommate and his attraction to the other man has him wondering if opening up might not be so bad after all Ferran is making his last trip away from his home planet of Perelan before duty calls him back But a rakish spaceship captain tosses a wrench into his finely crafted plans and his world may never be the same Gordon and Leo work in the freak show at a traveling carnival wowing audiences with their half animal physiques But when animal constructs are second class citizens and legal property of others falling in love is the most dangerous act of all *Knowing and Being in Ancient Philosophy* Daniel Bloom, Laurence Bloom, Miriam Byrd, 2022-05-26 This collected volume is inspired by the work of Edward Halper and is historically focused with contributions from leading scholars in Ancient and Medieval philosophy Though its chapters cover a diverse range of topics in epistemology ethics and political philosophy the collection is unified by the contributors' consideration of these topics in terms of the fundamental questions of metaphysics The first section of the volume *Knowing and Being* is dedicated to the connection between metaphysics and epistemology and includes chapters on Heraclitus Plato Aristotle and the Ancient Daoists The second section *Goodness as Knowing How to Be* addresses ethics as an outgrowth of human metaphysical concerns and includes chapters on Plato Aristotle and Maimonides Contributors include William H F Altman Luc Brisson Ronna Burger Miriam Byrd Owen Goldin Lenn Goodman Mitchell Miller Richard Parry Richard Patterson Nastassja Pugliese John Rist May Sim Roslyn Weiss and Chad Wiener Poems George Crabbe, 1907

Worn Out by Obedience Ron Moore, 2017-06-06 Are you spiritually tired Many Christians have a deep desire to turn the corner in their walk with Jesus Some don't know where to start others are held back by the past and still others are blinded or calloused by sin King David the man after God's own heart experienced this very thing and in *Worn Out by Obedience* he is presented as a spiritual mentor David is both flawed and on fire He is the person we are and the person we want to be In studying his extended stay in Ziklag 1 Samuel 27-30 readers will see how God often molds our hearts in seasons of

brokenness loneliness and disappointment sometimes even in our disobedience If you are spiritually weary discouraged or exhausted Worn Out by Obedience will help you to keep going or start moving You ll learn the signs of spiritual fatigue and how to avoid them You ll see that God uses all our experiences good and bad to form Christ in us And you ll remember God s great grace of rescue recovery and restoration **Momentum** Colin S. Smith,2016-09-16 The Beatitudes are not telling you how to become a Christian they tell you what a true Christian looks like Everyone wants to be blessed We want to be blessed in life blessed in death and blessed in eternity In the Beatitudes the Son of God tells us about the life that is blessed and about the people who are blessed But Jesus does more than just describe a blessed life He gives us a way to actually pursue it If you want to make strides in overcoming sin growing in godliness abounding in good works and enjoying intimacy with the Lord this book is for you And if you have lost hope that any of these things are possible this book is especially for you You can make progress starting today *Nietzsche's Epic of the Soul* T. K. Seung,2005-06-14 Thus Spoke Zarathustra is Nietzsche s most problematic text There appears to be no thematic connection between its four Parts and numerous sections To make it even worse the book contains a number of thematic contradictions The standard approach has been a method of selective reading that is most critics select a few brilliant passages for edification and ignore the rest This approach has turned Nietzsche s text into a collection of disjointed fragments Going against this prevalent approach T K Seung presents the first unified reading of the whole book He reads it as the record of Zarathustra s epic journey to find spiritual values in the secular world The alleged thematic contradictions of the text are shown to indicate the turns and twists that are dictated by the hero s epic battle against his formidable opponent His heroic struggle is eventually resolved by the power of a pantheistic nature religion Thus Nietzsche s ostensibly atheistic work turns out to be a highly religious text The author uncovers this epic plot by reading Nietzsche s text as a baffling series of riddles and puzzles Hence his reading is not only edifying but also breathtaking In this unprecedented enterprise the author takes a complex interdisciplinary approach engaging the five disciplines of philosophy psychology religious studies literary analysis and cultural history *The Gentleman's Magazine* ,1896 **The University of Tennessee Magazine** ,1908 **A Journey to Heaven** Cheng'en Wu,1913 *A Mission to Heaven* Changchun Qiu,1913 *Looking Back* Llewellyn Archer Atherley-Jones,1925 **Too Strange Not to be True** Georgiana Fullerton,1886 *The Fortnightly* ,1875 *The Method of the Divine Government, Physical and Moral* James McCosh,1882 *The American Journal of Education* Henry Barnard,1877 *Hebrew Heroes* A.
