

BIOHACKING

Biohacking is a term used to describe various tips and tricks for enhancing the body's ability to function at peak performance—and maybe even extend one's lifespan.

Biohacking involves personalized nutrition, physical enhancement, cognitive enhancement, technology integration, DIY biology, health optimization, and community knowledge sharing.

Biohacking has gained more attention and popularity in recent years. It is the practice of modifying or enhancing one's own body or biology using various methods, such as diet, supplements, devices, implants, or genetic engineering.

It focuses on enhancing energy levels, mental clarity, and overall health through dietary changes, physical activities, and cognitive enhancement.

- Biohacking can have different goals, such as improving health, performance, well-being, or appearance, or exploring the limits and possibilities of human nature.

Biohacking's popularity boosts health, but some practices may involve experimental or unproven methods, requiring caution and expert guidance for optimal health optimization.

Your future self will thank you. [Power Over Perimenopause](#) Dr. Greg

Mongeon, 2026-03-24. Foreword written by Jessica Peatross MD IFMCP. The Approachable Guide to Gaining Control of Your Health. Take back your health and feel like yourself again with this groundbreaking guide from Dr. Greg Mongeon, who uncovers and addresses the root causes behind hormone chaos. Drawing from his two decades of experience working with patients and evaluating thousands of lab results, Dr. Greg delves into the deep-rooted details of perimenopause. You'll learn how your hormones interact and change, what testing you should seek out, how to interpret those results, and the why behind it all. Once you have a grasp on the foundation, you'll find an action plan and keys for long-term success, complete with micro-adjustments to personalize your plan, because Dr. Greg understands that treatment plans are not one-size-fits-all. Whether you're feeling lost, frustrated, or simply curious about what to expect, this candid guide will meet you where you're at and deliver all the support and information you need to be your own biggest advocate and fully heal. **Healing with Peptides**
