Sinister Shadows:

National Defense Magazine ,1929 *The Missing JFK Assassination Film* Gayle Nix Jackson,2016-07-12 Orville Nix is not the typical JFK assassination book This book does not attempt to answer the question of who killed John F Kennedy instead it addresses why we should question the actions of those involved and why the truth was withheld from the people Though copies of Orville Nix s film exist the original film is missing Why The FBI confiscated Orville s camera for several months then returned it in pieces Were these actions sinister or were they just examples of governmental incompetence Orville Nix exposes information about the House Select Committee staff s involvement in the missing film Author Gayle Nix Jackson s interviews with people who were close to Orville and the film will shed light on the government s involvement with the filmmaker Gayle Nix Jackson is the granddaughter of Orville Nix As his eldest granddaughter Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day Hearing his story precipitated the quest Jackson is still on to find the film Her grandfather was there that day for a reason and if the original Nix film could be located modern day technology could determine if there was indeed another person behind the stockade fence or not Questions still abound today as to whether or not the film was altered Finding the original Nix film would answer one of the most enduring questions related to this horrific event Was there a conspiracy to kill John F Kennedy on November 22 1963 Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Darkness,**

Depression, and Descent in Anglo-Saxon England Ruth Wehlau,2019-05-20 This collection of essays examines the motifs of darkness depression and descent in both literal and figurative manifestations within a variety of Anglo Saxon texts including the Old English Consolation of Philosophy Beowulf Guthlac The Junius Manuscript The Wonders of the East and The Battle of Maldon Essays deal with such topics as cosmic emptiness descent into the grave and recurrent grief In their analyses the essays reveal the breadth of this imagery in Anglo Saxon literature as it is used to describe thought and emotion as well as the limits to knowledge and perception The volume investigates the intersection between the burgeoning interest in trauma studies and darkness and the representation of the mind or of emotional experience within Anglo Saxon literature
