Sister Crazy:

How to Drive Your Sister Crazy Diane Z. Shore,2008-10-21 Do you have a big sister Do you know how to drive her crazy It s easy really easy Take it from me Bradley Harris Pinkerton Does your sister hog the bathroom Does she spend hours on the phone with her friends Then this book is for you All you need is a rubber snake some bubble gum and a little bit of sneakiness Oh and a really good hiding place Note Do not let your sister read this book **Sister Crazy** Emma Richler,2011-05-18 Jemima Weiss grew up with a special feeling for British commandos American westerns the Knights of the Round Table bagels with cheddar on top and above all else her family Now grown into a worldly yet deeply troubled woman Jem revisits her formative years even as she struggles not to let herself be engulfed by the present In a voice crackling with humour and shot with straight talk she recounts a childhood in a family so extraordinary that it has left her adrift in the adult world In seven episodes that elide to form a dense rich impression of an unforgettable family Jem candidly relates her mythological view of her parents her gruff Jewish father whom she saw as a gunslinging cowboy and her prophetic beautiful mother who like a good witch always knew what her children were thinking and feeling Then there are her four siblings chief among them a charismatic adventurous brother who has remained Jem s main object of affection and her ethereal little sister Harriet who becomes a surprising source of comfort in Jem s adult life Every Speck Bonnie Roberts,2025-09-15 At the heart of Every Speck is the gruesome suicide of Roberts sister and the unintended consequence of the destruction of her whole family Roberts and her family travel for a lifetime of healing not to any perfect wholeness of course but to a reclamation of their lives as human beings who can love life and walk on *Fieldiana* ,1903 Buckskin, Bloomers, and Me Johnny D. Boggs,2019-12-03 What s a sixteen year old boy to do when he learns that his stepmother and a local judge have murdered his father and now plan to kill him too Well when it s 1906 and you can play pretty good second base you join a barnstorming baseball team making its way across Kansas It also helps that the team is the Kansas City National Bloomer Girls After all who d look for a runaway boy disguised as a girl on a women s team that competes against town ball teams of male players Of course it ll take more than long hair a Spalding glove and a quick bat to stay alive Luckily another Bloomer Girl Buckskin Compton alias Dolly Madison is on the dodge after some shootings and beatings in Wyoming and he takes the kid under his tutelage Staying alive won t prove easy for either of the reluctant female impersonators as they deal with a budding romance hitting slumps a crooked manager bean balls drunken teammates bank robbers lousy umpires a revolution for women s rights and a rapidly changing Western frontier Baseball isn t always fun and games especially when one bad play might leave the both of you cut from the Bloomer Girls or just plain dead In a novel very loosely based on fact Bloomer Girls teams of mostly women players did barnstorm across the country in the early 1900s eight time Spur Award winner Johnny D Boggs blends America s pastime with the American frontier This episodic tongue in cheek adventure showcases what made and still makes America and the Wild Wild West great Strong heroes Stronger women And a good clean game

Walton,Alice J. Davidson,2017-03-27 Conflict Narratives in Middle Childhood presents evidence from twenty years of research examining nearly 3 000 narratives from 1 600 children in eight settings in two countries about their own experiences with interpersonal conflict Close readings combined with systematic analysis of dozens of features of the stories reveal that when children are invited to write or talk about their own conflicts they produce accounts that are often charming and sometimes heartbreaking and that always bring to light their social emotional and moral development Children s personal stories about conflict reveal how they create and maintain friendships how they understand and react to the social aggression that threatens those friendships and how they understand and cope with physical aggression ranging from the pushing and poking of peers to criminal violence in their neighborhoods or families Sometimes children describe the efforts of adults to influence their conflicts efforts they sometimes welcome and sometimes resist Their stories show them taking on gender and other cultural commitments We are not just watching children become more and more like us as they move through the elementary school years we are watching them become the architects of a future we will only see to the extent that we understand their way of making sense *The Riddle of Three-way Creek* Ridgwell Cullum,1925 The Wellesley Prelude ,1891 **Harper's New Monthly Magazine** ,1893 Important American periodical dating back to 1850
