

Does Size Matter?

If penis size is important, it seems to be more so for men than for women.

Unfortunately, society pressures us through messages like "size matters".

But when it comes to sex and intimacy, size doesn't really matter as much as you might think.

According to a study conducted by researchers at the University of California, Los Angeles (UCLA) and California State University

When we talk about penis size, the focus leaves out another and maybe more important measurement: **girth**.

85%
of women

Are satisfied with the size of their partner's penis.

90%
of women

Believe that width is more important than length.

55%
of men

are satisfied with their penis size.

45%
want to be larger.

Only 0.2% want to be smaller.

Penis length doesn't matter as much as you may have been led to believe when it comes to the physiology of heterosexual penetration.

A woman's vaginal canal contains lots of nerve endings that are receptive to touch.

The majority of these nerve endings are in the outer one-third of the vagina, so 5 inches is plenty long to reach and stimulate that section.

- In general, women believe that girth is more important than length. Physiologically this may be explained by the fact that the clitoris is mostly internal, made up of erectile tissue that surrounds the inside of the vagina. When a woman gets aroused, the tissue fills with blood, similar to the penis.
- The engorged tissue surrounds the inside of the vaginal wall. When the penis applies pressure to the erectile tissue, it stimulates the clitoral nerves, pleasuring the woman.

Even with all the explained above:

In the end, it's not the size of your penis that matters as much as what you do with it when it comes to satisfying your partner.

Figuring out what feels good for you and your partner and choosing moves that make the most of your penis type will serve you better than worrying about its sizes.

Size Matters Or Does It

Vaclav Smil

Size Matters Or Does It:

One Man's Planet Stephen M. Testa, 2009 One Man's Planet is a slightly off centered geologist's introduction to how politics pop culture and the earth sciences mix it up every day in all of our lives A humorous look at a myriad of issue that grace the news and drive political debates from local councils to international discourse One Man's Planet picks apart the rhetoric on all sides of these debates to look at how the science describes the issue often to the nakedness of the opposing parties Tackling topics like climate energy water and hazards Stephen Testa channels Beanie Babies Mad Max and Shakespeare among others to examine the latest scientific understanding of these issues Author Stephen Testa weaves science personalities pop culture and politics into a very informative and entertaining tapestry on the planet today and the planet's tomorrow Come tour the Earth with Testa as your guide

The Small Penis Bible Ant Smith, 2016-12-14 IF YOU CAN'T BEAT THEM After living with penis size anxiety for most of his 50 years author Ant Smith decided we needed an honest self help book on the subject Something to turn up in search results other than the endless and expensive so called enlargement guides After organising London's first ever Big Small Penis Party and giving countless interviews on what it's like living with a little willy Ant has plenty to say on the matter You will read the only methods for penis enlargement in this book But more importantly you will read how to overcome the anxiety itself because without managing that no size is ever going to lead to peace THIS IS A REALLY TOUGH SUBJECT so there is plenty of humour candour and real life stories in these pages If you are suffering yourself or if you are body positive or if you are just curious THIS is a must read

Teaching Large Classes in Higher Education Graham Gibbs, Alan Jenkins, 2014-03-18 This guide combines theory on teaching methodology with advice on good teaching practice in order to help teachers face the challenge of larger numbers of students in their classrooms It includes a number of case studies which explore innovative teaching methods

[Digital Health](#) Alan Godfrey, Sam Stuart, 2021-07-06 Digital Health Exploring Use and Integration of Wearables is the first book to show how and why engineering theory is used to solve real world clinical applications considering the knowledge and lessons gathered during many international projects This book provides a pragmatic A to Z guide on the design deployment and use of wearable technologies for laboratory and remote patient assessment aligning the shared interests of diverse professions to meet with a common goal of translating engineering theory to modern clinical practice It offers multidisciplinary experiences to guide engineers where no clinically advice and expertise may be available Entering the domain of wearables in healthcare is notoriously difficult as projects and ideas often fail to deliver due to the lack of clinical understanding i.e. what do healthcare professionals and patients really need This book provides engineers and computer scientists with the clinical guidance to ensure their novel work successfully translates to inform real world clinical diagnosis treatment and management Presents the first guide for wearable technologies in a multidisciplinary and translational manner Helps engineers design real world applications to help them better understand theory and drive pragmatic clinical solutions

Combines the expertise of engineers and clinicians in one go to guide accessible to all

Getting It, Having It, Keeping It Up Beth Montemurro,2021-12-10 When straight men talk to each other about their sex lives they often boast about sexual exploits and brag about the hot women they have slept with Yet this competitive bluster covers up deep seated anxieties about measuring up to impossibly virile cultural ideals of masculinity So how do straight men really feel about sex women and manhood and how do those feelings clash with their public performance of manliness This landmark sociological study emerges from in depth interviews with nearly one hundred straight American men aged 20 to 68 from a variety of socioeconomic and ethnic backgrounds Getting It Having It Keeping It Up examines how these men use sex with women as a way of affirming their manhood and how they view themselves as failures when they are unable to score It also explores the effects of aging and erectile dysfunction on the men s self image However the life stories collected here are not just about performance anxiety as this research reveals ways that some straight men have resisted masculine cultural scripts to form mutually nurturing relationships with women

Reaching Tin River Thea Astley,2018-04-30 Tin River is a townlet of terminal attractiveness Tin River is a state of mind Researching in the archives Belle discovers the long dead Gaden Lockyer a colonial pioneer in Jericho Flats and soon becomes obsessed Belle s quest for Lockyer is her way of coming to terms with the past her mother a drummer in her own all women s group her absent American father and her ineffectual husband Seb In Reaching Tin River Thea Astley s satire is at its sharpest and most entertaining Thea Astley was born in Brisbane in 1925 Her first novel Girl with a Monkey was published in 1958 and her third The Well Dressed Explorer 1962 won the Miles Franklin Literary Award Many notable books followed among them the groundbreaking A Kindness Cup 1974 which addressed frontier massacres of Indigenous Australians and It s Raining in Mango 1987 Her last novel was Drylands 1999 her fourth Miles Franklin winner Her fiction is distinguished by vivid imagery and metaphor a complex ironic style and a desire to highlight oppression and social injustice One of the most distinctive and influential Australian novelists of the twentieth century Astley died in 2004 How lucidly Ms Astley evokes for us Australia s rough pioneer history and Belle s love for it You will like this journey I promise and when it is over you will wish it weren t and you will feel cross and want from Ms Astley much much more New York Times Dazzling imagery on every page Beautifully written Publishers Weekly Intelligent fresh and new Kirkus Reviews
