**Questions** Russell Lamendola, 2017-05-04 Be prepared to slay your Marriage Dragons Anyone who is married or is planning on being married will one day encounter one of the Marriage Dragons named in this book It is important for married couples to realize how a Marriage Dragon will attack you and your spouse By using basic principles based on Scripture a Marriage Dragon can be defeated and your marriage can be stronger and better than ever You should never fear a Marriage Dragon as God is always walking ahead of you in your battle He will lead the way for you If you are single this book is for you too By understanding how a Marriage Dragon attacks you will have a better grasp on how to defeat them biblically once you enter into a marriage covenant Marriage Dragons can be devastating if they are not dealt with quickly The longer they are left alone or ignored the more damage can and will occur to your marriage Some of this damage can take months or possibly even longer to repair what the dragon has done In each chapter a different Marriage Dragon will be examined so you will have an understanding of how to recognize them defeat them and have a stronger marriage As each dragon acts and responds differently learning to slay the different dragons will take prayer faith understanding and most importantly a reliance on God to help you in your defense against any of these dragons Are you ready to defeat any of the Marriage Dragons that may be attacking your marriage Are you ready to grab God's Word and the hand of your spouse and head into battle If so read through this book and see how God wants you to win your fight *Muṣṭalah al-ḥadīth* Dār al-Kutub

From the time Georgie was a little boy his life underwent powerful life altering changes that gave rise to his many fears the sudden death of his beloved Grandpa Manny his parent s divorce his mother s and his little brother s illnesses and especially the presence in his life of Damian and his bullies He was only five when he lost his grandpa but then God seemed to compensate him with his new baby brother Tony someone he could love and protect That connection created in both boys a bond that surpassed anything else in their lives and although 5 years apart in age they grew up together almost as contemporaries sharing everything in their lives and holding on to each other as their anchor in dealing with all the misfortunes life dealt them Through it all Georgie harbored and nurtured a lot of fears the biggest of which were the bullies at school and how to protect Tony when he couldn t even protect himself Skirting the bullies as he went Georgie developed into a mature young teenager a gifted student and a talented dancer pulling Tony along with him on all his new adventures and accomplishments while at the same time dealing with the bullies as best he could Then an unexpected ally arrives in the form of a bronze statue of St George given to him by his grandmother With that statue comes hope and faith and an awareness of all that he could be along with a new and powerful friend Like everything else in life one cannot just avoid evil and danger While it confronted just him Georgie was able to evade it but when it involved Tony he had to face it head on In doing so he found that he didn t have to face it alone His help came from the most unlikely sources his dragons his fears and a couple of real fire breathing dragons St George and Tony himself Two brother together they played together they dreamed together they danced and together they fought back
