Tainted Purity:

Tainted Purity Lorie O'Clare, 2005-03 There is nothing worse than a goddess who doesn't know she is one. Eternal life powers so strong they can change a man's existence are hidden from Bridget, lost in centuries of forgotten memories. Bridget Down has a good life working in her shop selling her crafts to local stores as well as donating them to the orphanage where she grew up. Other than the occasional pangs of loneliness that pass through her, she has no complaints. Well, almost no complaints. But something is missing in the jigsaw puzzle of her life, and it isn't just the hot and sweaty sex she dreams of and yearns for. When a mysterious man follows her, setting her pulse racing and hormones pumping, he forces her to remember a life she could never have imagined: a passionate and fiery love she could never have dreamed of, and a fight for her life that takes her to the pits of a hell where all her strength and newfound powers are needed to survive and overcome. Braze the strong and relentless lover who claimed her on an altar on a planet far away long ago has finally found her. This time, whether she likes it or not, he won't let her go. The battle for Bridget has begun. *The Lusiad* Luís de Camões, 1807

Doctoral Thesis Dissertation from the year 2003 in the subject American Studies Literature grade None Claremont Graduate University. 233 entries in the bibliography. Language: English. Abstract: This work will reflect on the mutability of meaning in the female mulatto body as well as on the mutability of perception by acknowledging the erroneous nature of race and its concrete results by examining the valorization and undermining of racial essentialism and heterogeneity and by revealing passing as bound by the social and legal restraints related to the physical body even as it interrogates racial classifications. Specifically, this study will explore how some nineteenth-century modern and postmodern American narratives containing mulattoes and passing personas produce a resolution reiterating the structure of race or new subjectivities within or possibly without the color line. Through this exploration, the war between the homogenous Self and the different Other will play out. In an effort to unite a divided personality, the Other will counter attempts by the Self to maintain essentialism. The success lies not in the final outcome but in recognizing the subversive acts of the Other and the irrational tactics of the Self as continuously revealing the subjects as always already married and as surpassing mere essentialism into the multitudinous heterogeneous One. Still, this work realizes that essentialism has a place in heterogeneity even if essentialism is a logical error. Duality and conflict are inherent in heterogeneity or the multitudinous One. The key is not to eradicate in an essentialist manner one and not the other but to live in a state of awareness respecting and accepting those who knowingly choose to construct identities within or without the color line. **A Swan Among the Saints** Douglas Milewski, 2020-09-05. Death only begins the adventure. After Targa gets killed, reviving a long-dead god, she finds that she must work off her mortal sins. Dedicating herself to the service of Gedimimas, they set off across the universe to restore his power. With them travels her new husband, the dead Phoenix Emperor, who has his own host of sins to work off. To complicate

matters when she'd been alive Targa had signed a standardized dragonrider contract one that had specified on her death she was obligated to work for the Red Lady the goddess of lies and deceit In fact all her dragon rider sisters had signed this contract Seeing this injustice before her Targa swears to take on the Red Lady freeing her sisters from their eternal servitude even if that takes wreaking chaos across the heavens themselves [The 5 W's](#) Erin McHugh,2011-07-22 What are the 5Ws WHO WHAT WHEN WHERE and WHY Five classic questions five classic collections Everyone will want these unique compilations of fact and trivia perfect gifts and great entertainment They're engagingly designed packaged in a small appealing format and are written with a lighthearted tone in a beautiful text design that will draw browsers in again and again [Swansong](#) Douglas Milewski, Having faced death in every form Targa Tik has no room left for sorrow No mercy No fear She kills when ordered putting no value on any life not even her own But her perspective changes when she is promoted leader finding herself mentor to a brilliant young flyer She expects to teach that girl how to be proper dragon riders but instead she's the one who learns the lessons Together the future of Astrea lies in their hands but if only she is courageous enough to step aside **The Quiver**,1905 V 12 contains The Archer Christmas 1877 [The Ten Hoods](#) Leroy McWherter,1889 **Zen Evangelist** John R.
