## Teaching The Temptress:

Teaching The Temptress Ginnie Bond,2010-11-04 Oh my God she whispered as tears came into her eyes and her whole body began to quiver Then he rose and placed a line of little licks up her stomach to her breasts Each nipple was taken in its turn and teased tenderly with in turned lips Ferne Daville is twenty five extremely wealthy and runs the family conglomerate with an iron hand Schooled to this from birth she lives for the business at the expense of her happiness her feelings held in tight check But after a highly charged encounter at a masked ball she had no wish to attend Ferne finds herself propelled from one erotic experience to the next as if by design as if someone is deliberately intent on melting her icy facade and as if someone is determined to teach Ferne how to become a temptress
