Richardson,2014-09-02 I began the study of the subject of Christ s second coming and the end times in detail with much  
prayer and study I must say that I have been intrigued with the book of Revelation for years Through those years I have been  
rotating from position to position in reference to pre trib mid trib and post tribulation As I would read various scriptures they  
would seem to contradict each other and point to a specific yet different time for the return of Christ on the clouds to gather  
His saints Perhaps you too have been confused about the timing of the second coming of Jesus and the end times Maybe you  
too have changed your position a few times depending on the various scriptures you happen to be reading at the time Or is  
there a chance that you hold a particular position but if pressed to support it wellllll In addition to our own confusions and  
variations there are the traditional beliefs and doctrines within the various churches that differ as much as the churches  
themselves I have asked questions to pastors deacons Sunday School teachers and other faithful saints and have received  
widely differing opinions about this subject There were none who could entirely support their positions with scriptures that  
did not conflict with their own opinions The usual final response from all I have spoken with goes somewhat like this Well  
these things are just not meant to be understood at this time UNTIL NOW at least for me This book shares with specific  
scriptural documentation that will remove all confusion about timing of the Second Coming of Jesus Christ I hope you are

are the next stages in G d s end time plans with Israel and the entire world Sixty two years after the re establishment of the  
State of Israel by the G d of Israel to be His end time eternal kingdom and after seven wars with Arab Islamic nations who  
were backed by many nations worldwide that came to destroy Israel again and again Israel is again facing pressure from  
every side with step by step preparations of the enemies of the G d and people of Israel to destroy the State of Israel through

an apocalyptic war with nuclear weapons that were never used in the past These nations refused to learn through their own previous experiences when the G d of Israel defeated them again and again and showed them that He is determined to rebuild His Holy Kingdom Israel in the Promised Land that He gave only to His people Israel
