

The Walking Wounded

Mark F. Jones

The Walking Wounded:

Among the Walking Wounded John Conrad,2017-04-29 This is a Canadian veteran s experience of PTSD delivered in an intimate personal account that is as visceral as it is blunt a courageous story of dark descent and painful triumph that stands as a testament for many Canadian soldiers who still fight and suffer in the shadows

Words for the Walking Wounded Marjorie V. Brumme,2006

Walking Wounded Mark F. Jones,2025-07-21 The book *Walking Wounded* teaches the reader how to identify their own personal wounds in life and provides step by step instruction on how to resolve those wounds and come to a place of wholeness Herein Dr Mark Jones takes the reader through three key processes to obtain healing resolving your past restoring your health and retraining your thinking The book not only teaches how to resolve the past on an emotional spiritual mental and relationship level but also how to be restored to health through a re established sense of self worth The definition of a wound is an experience that produces pain or even trauma which creates a memory and a sense of loss regret or even death of some kind Wounds can either be self inflicted or can be inflicted by other people or unfortunate situations Throughout the book Dr Jones identifies all the areas of one s life where wounds can come from and the forms in which they take on i e divorce molestation abandonment abuse anger etc Such wounds create corresponding behaviors which the book addresses as wound behaviors While some wound behaviors are obvious some behaviors are more subtle A select few who are wounded can connect the dots between the obvious or not so obvious wounds and the wound behaviors they act out Yet others have a difficult time connecting the dots and do not understand why they are acting out these wound behaviors and subsequently have a hard time accepting the truth when they hear it Therefore Dr Mark Jones walks the reader through the process of identifying wound behavior patterns and instructs on how to remove destructive patterns and replace them with the right productive ones Unfortunately it is impossible to go through one s entire life and not experience wounds Unless you purposefully and intentionally resolve such wounds they will remain and push their way out in the form of some kind of mindset emotion and or behavior *Walking Wounded* encourages the reader to examine their life and reach out for professional help rather than attempt to resolve everything by themselves Within its pages Dr Mark Jones provides the help needed to do so and in turn shows the reader how to identify their giftings strengths and talents In reading this book you too will find the tools you need in order to identify the wounds that have hurt you receive healing and discover your strengths and giftings and how to use them with confidence to live a successful and fulfilling life while maximizing your God given potential

How are Things with the Walking Wounded? Thomas B Hendry, 1974 [The Walking Wounded](#) Peter Hoewisch, 2021-02

Wounds and scars We carry them through our lives as evidence of our lives lived They're a history A biography of sorts that informs those close to us of our choices challenges conflicts defeats and victories Of a life's journey fueled by love and passion and dangers faced They've shaped who we are and what we are becoming But our wounds are not us Neither should they define us They may point to our vulnerabilities but not our weakness By grace they point to Christ's redeeming love and transforming power that the following generation embraces as an example Our wounds can form the foundation of His beauty imprinted upon us We need not choose masking the Maker's sculpting of our spirits and souls [The Walking Wounded](#) Theatre Passe Muraille Archives, Neil Norman, 1989
