Listen! the Angels Speak Carolynn Milne,2015-06-05 It was a cold wet day I made my friends a hot cuppa and stoked up the open fire We sat looking at the flames and talking My voice suddenly changed in mid sentence The words I was saying were beautiful and elegant but they were not mine I was startled and confused What was going on What was that amazing energy flowing through me After the initial shock I quietened my mind enough to hear Maitreya It was his energy and his words He was with me to teach me and to work through me Over the next few days Jesus and Mary Magdalene both came through me with messages and energy to guide me I realized that as each came and went I had an involuntary shudder When I started to record their messages I found that my handwriting changed for each Six years later I still feel the amazing energies and often emotions and feelings I now know that this is not just for me but for all of humanity No I don't have to be a Saint I just need to have pure and loving thoughts at the time I am receiving and very importantly when I am recording Pure intention and loving thoughts and lots of faith in me and in the Messengers allows this remarkable gift to flow through me I think of my higher consciousness as a dome I open the door with a filter so only the Divine can enter The Messenger is never a force that controls me That is my deal with the Divine I always have free will The Messengers communicate to me by voice and sometimes a knowing what to write in large blocks of information I work to bring these amazing messages to as many as possible Carolynn **Angels Speak** Ann Warner,Helene Rothschild,2000-09 Tells the inspiring story of Ann Warner's encounters with angels Early one morning as she was watching her hands move gracefully over her piano keyboard suddenly her eyes closed and she visualised white transparent hands over hers The pianist sensed someone standing behind her She knew she was in the presence of angels when she heard a voice say Ann open your heart and let us play through you Ann turned on her tape recorder and began to play beautiful music with the angels That day the first album Angelic Harmonies had been completed It was an auspicious beginning from which was born a series of tapes and CDs that have brought peace joy and spiritual growth to both Ann and the many people who have listened to Angelic Harmonies Ann
