The Armalite Maiden

Gordon Gillespie

The Armalite Maiden:

The Armalite Maiden Jonathan Kebbe, 1990 **Demons, Hamlets and Femmes Fatales** Jayne Steel, 2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry s Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness **The Thriller and Northern Ireland since 1969** Aaron Kelly, 2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci Louis Althusser and Slavoj Zizek to his interdisciplinary study of Irish culture and the crime novel Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation On the contrary Kelly s examination of authors such as Jack Higgins Tom Clancy Gerald Seymour Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form **The A to Z of the Northern Ireland Conflict** Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject *Historical Dictionary of the Northern*

Ireland Conflict Gordon Gillespie, 2017-03-16 The second edition of the Historical Dictionary of the Northern Ireland Conflict provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016 The second edition of the book expands on the references relating to individuals organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments This the work provides a unique view of developments since the signing of the Good Friday Agreement in 1998 While widely heralded as the end of the Northern Ireland conflict the agreement instead witnessed the beginning of a new series of political difficulties to be addressed The Historical Dictionary of the Northern Ireland Conflict is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998 Many of these themes will be relevant to students of post conflict societies in other areas of the world This second edition of Historical Dictionary of the Historical Dictionary of the Northern Ireland Conflict contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture

Traitor's Honor Jonathan Kebbe, 1999-10-18

Stepping Stones Mark Carruthers, Stephen Douds, 2001 The troubles of 1971 to 2001 saw Northern Ireland catapulted into the headlines across the world yet during the dark years of violence there was an impressive but much less reported flourishing of creative energy In this work a panel of writers comment on the artistic accomplishment of this extraordinary period Inspired by Causeway Michael Longley's powerful collection of essays published in 1971 this volume records the highs and lows of the years 1971 to 2000 of northern theatre poetry fiction visual arts and music as well as discussing the work of internationally famous local figures like Nobel poet Seamus Heaney and Oscar winning actors Liam Neeson and Stephen Rea It celebrates the best in achievement but also points out what was less successful and suggests how the various arts disciplines might develop in the years immediately ahead

A Reader's Guide to the Spy and Thriller Novel Nancy-Stephanie Stone, 1997 This essential sourcebook to the spy and thriller novel offers mystery fans fully annotated entries on more than 1 300 titles by over 150 authors in the genre The perfect companion to early classics by Ian Fleming Somerset Maugham and Graham Greene this volume also covers more recent works by Len Deighton John le Carre and Tom Clancy

Fortnight, 1992

Eve was Framed Helena Kennedy, 1993 Eve Was Framed offers an impassioned personal critique of the British legal system Helena Kennedy focuses on the treatment of women in our courts at the prejudices of judges the misconceptions of jurors the labyrinths of court procedures and the influence of the media But the inequities she uncovers could apply equally to any disadvantaged group to those whose cases are subtly

affected by race class poverty or politics or who are burdened even before they appear in court by misleading stereotypes

Etudes Irlandaises ,1990 Gangsters Or Guerrillas? Patrick Magee,2001 While serving a 50 year prison sentence after being charged with involvement in an IRA bombing Patrick Magee dedicated himself to the study of fiction dealing with the conflict in North Ireland Out of those years comes this fascinating work in which Magee critically assesses various literary representations of republicans and their struggle as an ideological and political tool of British propaganda Magee invokes the necessity of reading these texts critically as a reading that accepts these novels at face value continues to hinder resolution of the division of Ireland
