The Jesus Boy:

The Jesus Boy Richard Laurence Gordon, 1975 [The Jesus Boy](#) Sean Elliot Russell, 2017-04-21 Meet Joshua Phillips a fourteen year old boy who dares to embrace with all of his heart mind and strength to follow Jesus But following the Master isn't without tribulations and trials as the young man faces the growing pressures of his family his school a gang not happy with his activities and the mysterious girl he begins to show an interest in Lydia Claremont As astonishing signs and wonders begin to follow the boy and as the boy's impact begins to touch people around him in his school family and city there comes the crucible of staying true regardless of building pressures When news comes about his little brother struggling with an aggressive sickness seemingly resistant to Josh's prayers when unexpected news about Lydia becomes known to all and when darkness rises within the community bent on its destruction these all come together to present the greatest of challenges Will the One within Joshua be enough to confront these tests and overcome and not compromise and become like the world Joshua Phillips is whispered to be the Jesus Boy Please note this novel is NOT a children's story although all ages will enjoy it Praise for the Jesus boy The Jesus boy by Sean Elliot Russell gives us a wonder This spirit filled superhero Jesus boy presents an urban fantasy as an extension of true reality The wondrous events ring true even though we know this is fiction It's clearly a teaching vehicle But the characters portray a reality commonly lost in current churches More than that the characters compel us to look at ourselves if we've never done that Several times I found myself reexamining my relationship with the Lord The whole story lifts up the love of God in the lives of believers and non believers Though it satisfied me deeply I believe it is an exceptional book Rarely do we find a book this well done with such spiritual strength This shows us how much can be done with spirit filled fiction David Bergsland RadiqX Press This book reminds me of Ted Dekker's Blessed Child the highest compliment I can give a fiction title as it's THE best fiction book I've ever read and I'm a writer of fiction so that's saying something it's the kind of spiritual fiction I aspire to write Kristen Collier writer of Dreamchaser and numerous other books More Praise for the Jesus boy Parts of the novel had me trembling in fear to the point of using a night light while other parts had me searching for a box of tissues I could feel the gaping holes in my heart getting smaller and smaller as God's healing love flowed over me You could be a Joshua a Lydia a Brad a Cary or any of the other characters in this book Sharon Strickland reader Enjoyed Enriched Identified with the main character Joshua And a surprise ending I didn't expect Lawrence Pesquera reader A good read with some unexpected surprises Some almost poetic prose and highlighted the tensions of walking close to God while walking this earth Really satisfying and emotional John Paolo reader touched my spirit P G Guegbelet reader Awards for the Jesus boy This novel received a Recognition of Achievement Award from RadiqX Press as a work of fiction from a Spirit filled perspective **Sweet Little Jesus Boy** Robert H. McGimsey, 2003-01-01 *The Two Jesus Boys* Christoph Rau, 2019-04-25 The two contradicting genealogies of Jesus in the Gospels have long puzzled biblical scholars Rudolf Steiner's spiritual research led him to the controversial theological conclusion that historically there existed

two Jesus boys born of two holy families These two boys he said were necessary as part of the spiritual preparation of forming a suitable human body for the incarnation of Christ into the earthly realm Both apocryphal texts and the writings of the Essenes as discovered at Qumran by the Dead Sea now appear to support this conception with references to Messianic figures from both royal and priestly lines Various authors have developed Rudolf Steiner's observations first presented in the early twentieth century although much of this literature has lacked the rigour of accurate and broad scholarship The Two Jesus Boys is not simply a derivative rehash of these previous publications Rather it offers a fresh investigation of primary sources coupled with an objective determination to allow the facts to speak for themselves Christoph Rau thus comes to the unavoidable conclusion that Steiner's presentation of the chronology of the two births needs revision furthermore the most recent discoveries and interpretations of Essene scrolls reveal that the Jewish sect expected not one but three Messiahs Rau quotes from and analyses numerous documents from the landscape of early Christianity and Judaism His findings provide a secure foundation for the historical existence of two Jesus boys in the prelude to Christ's incarnation on earth as well as a revelation of the Essenes long expectation of three Messiahs

The Festivals and Their Meaning Rudolf Steiner, 2013-09-10 In this selection of thirty of Rudolf Steiner's most important lectures on the Festivals he identifies and illumines the true meaning behind Christmas Easter Ascension and Pentecost and Michaelmas emphasizing both their inner spiritual and outer cosmic aspects He shows that the Festivals are not merely the commemoration of mighty historical events or truths within the Christian tradition but are in themselves each year spiritual events manifesting in seasonal and natural rhythms which carry a significance that grows and deepens with the developing of human evolution
