Second Coming of Christ Caleb Sinclair,A.

W. Tozer,2022-12-07 Christians are never to be caught unawares While the call of God may come at any minute to take us out of this Egypt we call the world you and I cannot afford to be careless A W Tozer The coming of Christ is a fact and has always been a part of the Christian message to the world But the affluence of the 21st century and the comforts it affords us has the terrible effect of blurring the heavenly vision and anticipation that characterized the saints of old The burning flame that urged the early Christians on to sanctify their lives and grow in love for God is a dying ember in the heart of the so called follower of Christ today In The Second Coming of Christ Tozer lights up again that fire urging us to view our lives with an eternal perspective
