Easy Basic Manifesting Games of Susan James Susan James, 2022-12-06 Easy Basic Manifesting Games of Susan James have been used over and over in the various courses books and consulting moments

The Games listed here are some of the more basic games to assist us in an easy and peaceful way from where we are to where we'd prefer to be. The Games work I first began developing these games because I needed a fun way to use and apply the things I was learning and in a way that would make me do it. Everything grew and expanded from there. If you are a writer, candlestick maker, baker, lawyer, Indian chief, no matter your spiritual, religious, affiliation, expansion, beliefs, and/or non-conformist ways, and means, these games will work for you. You can change them as you need, fit, and be as flexible and forgiving as you will allow yourself to be. You can use them to lose weight, make money, find romance, simply move from where you are. As we begin moving on, we may hit a plateau. Both *The Done Deal Degreaser* and *The Loop Tool* may assist you in this. They have for me. The Easy Basic Manifesting Games Included Within This writing are not all of the SJ Manifesting Games but lay a super foundation for what is to come for you. *The Magic Wall*, *The Sword of Three's*, *The Sword in the Stone*, *Powerful Asking Game*, *Abundant*, *The Cell Game*, *The Done Deal Degreaser*, *The Loop Tool*, *Everyday is Payday*, *Don't Tell Anybody*, *9 Day Money Game*. Supernatural Beings 1 Thierry Kouam, 2019-05-24. Winnipeg is divided between two worlds, one is comprised of human beings and the other of supernatural beings, some of whom have been gifted with special powers and magic. Supernatural beings, animals shaped like humans, believe their ancestors are their gods, dutifully follow the rules of their tradition, and understand their purpose is to eradicate the human race. Hero is a young adult magician, supernatural being who has been sent with his brothers to the world of human beings to destroy humankind. But everything changes during his important mission when Hero surprisingly feels his magic pushing him against his own desire to protect Angel, a mysterious human being who appears different than others in her race. When Hero breaks the rules of his tradition and battles against his own family to protect Angel, he becomes a traitor who now must learn why his magic warns him when Angel is in danger, as fate leads him to places he never imagined. In this fantasy tale, a young supernatural being with magical powers on a mission to destroy the human race crosses paths with a mysterious being that causes him to question everything he has ever known.
