The Malcontent:

The Malcontent John Marston, 2000 The Malcontent usually considered to be John Marston's masterpiece is one of the most original plays of the Elizabethan theatre complex in genre structure and language A major reason for the play's preeminence lies in the balance it achieves between the opposite claims of laughter and horror This edition has notes designed for modern undergraduate use and the introduction has been rewritten to take into account the most recent scholarship

The Malcontent John Marston, 2014-04-25 A student edition of Marston's classic play

The Malcontent, 1604 John Marston, 1970

The Figure of the Malcontent in Shakespeare Robert Beale Bennett, 1970

The Pirating of Marston's The Malcontent, by the King's Men, 1604 Alice Curran Mendenhall, 1950

The Disguised Ruler in Shakespeare and his Contemporaries Kevin A. Quarmby, 2016-04-01 In the early seventeenth century the London stage often portrayed a ruler covertly spying on his subjects Traditionally deemed Jacobean disguised ruler plays these works include Shakespeare's Measure for Measure Marston's The Malcontent and The Fawn Middleton's The Phoenix and Sharpham's The Fleer Commonly dated to the arrival of James I these plays are typically viewed as synchronic commentaries on the Jacobean regime Kevin A Quarmby demonstrates that the disguised ruler motif actually evolved in the 1580s It emerged from medieval folklore and balladry Tudor Chronicle history and European tragicomedy Familiar on the Elizabethan stage these incognito rulers initially offered light hearted romantic entertainment only to suffer a sinister transformation as England awaited its ageing queen's demise The disguised royal had become a dangerously voyeuristic political entity by the time James assumed the throne Traditional critical perspectives also disregard contemporary theatrical competition Market demands shaped the repertories Rivalry among playing companies guaranteed the motif's ongoing vitality The disguised ruler's presence in a play reassured audiences it also facilitated a subversive exploration of contemporary social and political issues Gradually the disguised ruler's dramatic currency faded but the figure remained vibrant as an object of parody until the playhouses closed in the 1640s

A Concordance to The Malcontent James Xenophon Ward, 1988

A Computer Concordance to John Marston's The Malcontent James Xenophon Ward, 1978

'Who the Devil taught thee so much Italian?' Jason Lawrence, 2013-07-19 This book offers a comprehensive account of the methods and practice of learning modern languages particularly Italian in late sixteenth and early seventeenth century England It is the first study to suggest a fundamental connection between language learning habits and the techniques for both reading and imitating Italian materials employed by a range of poets and dramatists such as Daniel Drummond Marston and Shakespeare in the period The widespread use of bilingual parallel text instruction manuals from the 1570s onwards most notably those of the Italian teacher John Florio highlights the importance of translation in the language learning process This study emphasises the impact of language learning translation on contemporary habits of literary imitation in its detailed analyses of Daniel's

sonnet sequence Delia and his pastoral tragicomedies and Shakespeare's use of Italian materials in Measure for Measure and Othello
