,1998-09 **Sous Vide Easy Cooking** Alexa Jane,2021-02-13 55% OFF for Bookstores NOW at 16 63 instead of 36 97 LAST DAYS Your Customers Never Stop to Use this Awesome Cookbook Do you want to keep up with innovation and in the meantime cook tasty dishes for your family like a real chef DISCOVER Sous Vide Easy Cooking The kitchen is a constantly evolving sector and one of the most interesting innovations in cooking techniques is that of low temperature cooking or sous vide cooking Cooking food at low temperatures involves cooking the product at a temperature between 50 and 60 degrees A low temperature cooker allows food to be cooked thanks to the recycling of heat favoring the uniformity of cooking both inside and outside the product This process makes the meat juicier and more tender avoiding dispersing the juices and nutritional properties of the food In short it is true that cooking at a low temperature requires slow cooking and consequently times are considerably longer but the result will certainly be better This book dedicates space to everything you need to know about this particular type of cooking and answers all the questions you will ask yourself if you are a beginner as well as of course containing recipes of Vegetarian and Vegan Sous Vide Recipes Pork Beef and Poultry Sauces Stocks and Broths Desserts and many more Breakfast Eggs Cocktails and Infusions Appetizers and Snacks What are you waiting for Buy it NOW and let your customers get addicted to this amazing book **Sous Vide** Hugh Acheson,2019-10-15 Just as Hugh Acheson brought a chef s mind to the slow cooker in The Chef and the Slow Cooker so he brings a home cook s perspective to sous vide with 90 recipes that demystify the technology for readers and unlock all of its potential NAMED ONE OF FALL S BEST COOKBOOKS BY FOOD WINE Whether he s working with fire and a pan your grandpa s slow cooker or a cutting edge sous vide setup Hugh Acheson wants to make your cooking life easier more fun and more delicious And while cooking sous vide a method where food is sealed in plastic bags or glass jars then cooked in a precise temperature controlled water bath used to be for chefs in high end restaurants Hugh is here to help home cooks bring this rather friendly piece of technology into their kitchens The beauty of sous vide is its ease and consistency it can cook a steak medium rare or a piece of fish to tender just

doneness every single time and hold it there until you're ready to eat whether dinner is in ten minutes or eight hours away. But to unlock the method's creative secrets, Hugh shows you how to get the best sear on that steak after it comes out of the bath, demonstrates which dishes play best with extra-long extra-slow cooking, and opens up the whole world of vegetables to a technology most known for cooking meat and fish. Praise for *Sous Vide*: High-end cooking comes to the home kitchen in this fun, clear approach to a gourmet technique. Hugh Acheson writes with such charm that he can make warm water interesting. Publishers Weekly

Sous Vide Cookbook Charlotte Green, 2021-03-03 55% OFF for Bookstores NOW at 10.79 instead of 23.97 LAST DAYS Your Customers Never Stop to Use this Awesome Cookbook Do you want to keep up with innovation and in the meantime cook tasty dishes for your family like a real chef? DISCOVER *Sous Vide Cookbook*. The kitchen is a constantly evolving sector, and one of the most interesting innovations in cooking techniques is that of low-temperature cooking, or *sous vide* cooking. Cooking food at low temperatures involves cooking the product at a temperature between 50 and 60 degrees. A low-temperature cooker allows food to be cooked thanks to the recycling of heat, favoring the uniformity of cooking both inside and outside the product. This process makes the meat juicier and more tender, avoiding dispersing the juices and nutritional properties of the food. In short, it is true that cooking at a low temperature requires slow cooking, and consequently, times are considerably longer, but the result will certainly be better. This book dedicates space to everything you need to know about this particular type of cooking and answers all the questions you will ask yourself if you are a beginner, as well as, of course, containing recipes of Appetizers, Meat, Fish, and Seafood, Fruit, and Vegetables, Desserts, Cocktails. What are you waiting for? Buy it NOW and let your customers get addicted to this amazing book.

Under Pressure Thomas Keller, 2016-10-25 A revolution in cooking. *Sous vide* is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender, even when cooked medium-rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent, no matter how long it's been on the stove. Fruit and vegetables benefit too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to *sous vide* is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection, and they show the way in this collection of never-before-published recipes from his landmark restaurants, *The French Laundry* in Napa Valley and *per se* in New York. With an introduction by the eminent food science writer Harold McGee and artful photography by Deborah Jones, who photographed Keller's best-selling *The French Laundry Cookbook*, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

Sous Vide Cookbook for Beginners Kara Ashton,2021-03-13 55% OFF for Bookstores NOW at 23 95 instead of 34 95 Would you like to know how to prepare finger licking meals that taste exactly the same way every single time

Sous Vide Cookbook Sharon Fetterman,2021-03-13 If you've ever spent much time in the kitchen you'll know that there are a few cooking techniques that are a little more difficult to master Cooking hard candy preparing a good soufflé and preparing a pie crust all require a lot of time and practice Even then there's no guarantee that the finished product will be exactly what you want The good news is that while sous vide can sound intimidating it is actually a very simple cooking method to master You're essentially ready to go if you can find a sous vide system that keeps the water temperature constant and then add some food to a bag before putting it in a water bath With sous vide cooking it's difficult to spoil food because it's healthy to hold food in the water bath for as long as you need it after it reaches the desired temperature This cooking method is not only capable of producing delectable meals but it

is also extremely easy to master Always remember that while recipes are very precise they are just that way to get the most out of the ingredients you re cooking with Cooking sous vide can become as natural to you as using a seamer or a fry pan once you ve mastered this technique You ll begin to memorize the temperatures and cooking times of your favorite ingredients over time and you ll enjoy the benefits of precision cooking Try expanding your sous vide range as you continue to please your family friends or even yourself with tender meat and flavorful vegetables There s a whole community of chefs who are converting their kitchens into tiny restaurants and they d be happy to share their knowledge with you You may even discover that you have some advice to give as you continue to learn You ll be able to learn 250 delicious sous vide recipes with the aid of this guide which will help you prepare your meals ahead of time All of the recipes provide nutritional information as well as the number of servings per meal Here are a few of the recipes from the book
