## **The Upside Down King:**

The Upside-Down King Sudha Murty,2018-09-25 Did you know there was a time when bears spoke the moon laughed and babies were found inside fish Have you heard of the two horned sage who had never seen a woman in his life Did you know Ravana s half brother was the god of wealth Have you ever seen a man with a thousand arms The tales in this collection surround the two most popular avatars of Lord Vishnu Rama and Krishna and their lineage Countless stories about the two abound yet most are simply disappearing from the hearts and minds of the present generation Bestselling author Sudha Murty takes you on an arresting tour all the while telling you of the days when demons and gods walked alongside humans animals could talk and gods granted the most glorious boons to common people **What on Earth?** Barney

Wiget,2022-04-28 In his most famous Sermon Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally socially and even politically The impact of this Kingdom on the earth as it is in heaven with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon By a lifestyle of holy nonconformity shaped by the Blessed Attitudes Beatitudes Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth Kingdom citizens work toward initiating such a world on earth as it is in heaven today **Pilgrim Practices** Kristopher Norris,2012-03-19

Despite a wealth of literature on the missional church and missional living few resources help Christians and churches think through what it means to be disciples of Jesus Christ and what specific practices help cultivate lives of discipleship Written from with and for the church *Pilgrim Practices Discipleship for a Missional Church* introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one s own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God s mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world
