The Very Young:

Selected Works of Ray Cummings Raymond King Cummings,2020-09-28 Fear struck us then We searched at first laughingly then with stark horror overwhelming us The little island was all too easy to search There were no caves no cliff over which she could have fallen We had seen all the beach and the near by water within a few moments after her disappearance Surely there had not been time for her to swim out and be drowned She was a fair swimmer and cautious for all her youth And even if she had gone back in the water and got into distress we were so close we could have heard at once any call she made But she was gone Vanished No boat had landed that could have taken her That was impossible without our seeing it over that reach of empty sea I recall our frantic search Then at last Drake and I alone frantically rowed back home to tell father It was like a dream of horror Father s white solemn face He never once reproached Drake or me He telephoned the village Then came another trip to the island in a launch with grave faced men But Dianne was never found We brought back her clothes that lay untouched there by the underbrush at the beach I could not look at them but went into my bedroom and lay on the bed and sobbed It was the first tragedy that life had brought me Night had fallen when Drake came to me He leaned over me sympathetically Take it easy kid His own face was white and drawn he loved Dianne as much as I did but he was older more stoical Father wants to see us Frank Get hold of yourself His arm went around my shoulder and I huddled against him Take it easy wash your face and come on down It was about Dianne father had something to tell us We faced him in the living room He closed its doors Sit down lads It may have been in Drake s thoughts certainly it was in mine that now father was about to blame us I had felt those hours sobbing on the bed that somehow I was to blame That incident in the water when I had annoyed Dianne about her hair wild thoughts swept me that I had annoyed her and she had committed suicide I had already told father about it told him in the launch He had listened and waved it away He sat facing us now a slender solemn man of fifty with iron gray hair and thin studious face His eyes behind his big horn rimmed spectacles seemed unnaturally bright but gentle He said Don t look at me like that lads I ve no intention of reproaching you And then he told us in a burst without preface what we had never suspected You were about two years old Frank and you Drake about eight It was the year before your mother died She and I went to Bird s Nest Island leaving you children at home This same island A summer day he said just about like this We went for a picnic just as you did today It was fifteen years ago We were wandering about the little island your mother and I We heard a wailing cry an infant s In a thicket we found a little girl baby Unharmd An infant about a year old who evidently had been asleep and now had awakened and was crying There was no boat in sight about this island We concluded that some one had been there abandoned the baby and departed We took the baby home No one ever came to claim her It was Dianne

Enjoying the Song of Term: An Emotional Symphony within **The Very Young**

In a world consumed by displays and the ceaseless chatter of instantaneous transmission, the melodic elegance and emotional symphony developed by the prepared word usually disappear into the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, set within the pages of **The Very Young** a marvelous literary value brimming with raw emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, this charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths with this emotional examination, we will examine the book's main harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
