Reports of Decisions of the Public Service Commission, First District , of the State of New York New York (State). Public Service Commission. First District,1922 **Monthly Catalogue, United States Public Documents** ,1980 **The Punjab Record** ,1894 **The Mortara Case and Thomas Aquinas's Defense of Jewish Parental Authority** Matthew Tapie,2025 The Mortara case refers to Pope Pius IX s 1858 removal of a six year old Jewish boy Edgardo Mortara from his parents in Bologna Italy Six years after the child was born it was reported that the family s Christian housekeeper had baptized him after he had fallen ill as an infant and was allegedly in danger of death Since canon law and civil law stipulated that a baptized child must be raised Catholic Pius IX used his power as head of the Papal States to remove Edgardo from his family so he could receive a Christian education Scholars on both sides of the contemporary debate over Pius IX s decision to remove the child frequently appeal to the teaching of Thomas Aquinas to make their arguments However the discussion has overlooked an important fact the question of how Aquinas s teaching applied to the case was at the center of the dispute between the Mortara family and Pius IX in 1858 Indeed the Mortara family and the Roman Jewish community submitted to the Vatican a two part document Pro memoria and Syllabus that appealed to Aquinas to argue for the return of the child However the Vatican s reply Brevi cenni denied the request and cited Aquinas s teaching to argue that Edgardo s baptism was valid and that he therefore belonged to the Church Who had the correct interpretation of Aquinas s thought And how does this answer impact Catholic theology and Catholic Jewish relations today The Mortara Case and Thomas Aquinas s Defense of Jewish Parental Authority assesses the claims of both sides of the contemporary debate through an analysis of Aquinas s teaching as it is interpreted in the original Italian and Latin documents from the 1858 case which are housed in the Vatican Apostolic Archives The complete text of these documents are reproduced here with facing English translations for

the first time Tapie demonstrates that for Aquinas Jewish parental authority is an order of the natural law which Aquinas likened to a spiritualis uterus spiritual womb Since Jewish parental authority is an order of the natural law it cannot be opposed to God's grace The Mortara Case and Thomas Aquinas's Defense of Jewish Parental Authority is the first book length study to examine Aquinas's teaching against baptism of Jewish children *in vitis parentibus* against the will of parents in its thirteenth century context The book also treats the reception history of Aquinas's thought among his Dominican defenders who advanced his position from the late thirteenth century into the middle of the sixteenth century Tapie's study concludes by examining the current Code of Canon Law on infant baptism for children of non Catholic parents as well as its relation to the Second Vatican Council's teaching on religious freedom and the Jewish people

Rereading the Mishnah Judith Hauptman,2005 Judith Hauptman argues that the Tosefta a collection dating from approximately the same time period as the Mishnah and authored by the same rabbis is not later than the Mishnah as its name suggests but earlier The Redactor of the Mishnah drew upon an old

Mishnah and its associated supplement the Tosefta when composing his work He reshaped reorganized and abbreviated these materials in order to make them accord with his own legislative outlook It is possible to compare the earlier and the later texts and to determine case by case the agenda of the Redactor According to the author s theory it is also possible to trace the evolution of Jewish law practice and ideas When the Mishnah is seen as later than the Tosefta it becomes clear that the Redactor inserted numerous mnemonic devices into his work to assist in transmission The synoptic gospels may have undergone a similar kind of editing
