Truman's Angel Chuck Rohde,2005-05-01 Capturing a piece of endless probability even in a governed universe of wonderful absolutes Truman s Angel is an unparalleled Christian science fiction It is not fantasy horror or smut cloaked in technology but instead is pure and clean speculation of what our future could be if God sees fit to prolong our days into the twenty eighth century Opening in a future revolt of Creationists against the mandatory acceptance of evolution our story hovers within the boundaries of biblical absolutes Taking us off our little planet from time to time our hero encounters aliens exotic scenery romance believable technology and even angels in unlikely form All are gathered to express the much larger scheme of God s total creation This story is designed to imagine the action of our true mission of sharing God s love from a position of submission and dependence even in the self assured face of extreme technological advancement **Crazy in Love** Crystal B.
