Truth About Love

Arthur Herbert Gray

Truth About Love:

The Truth about Love Elizabeth Currie,2005 The Truth About Love is an original philosophical theory which presents a comprehensive holistic model of the normal human psyche The purpose of the book is to reveal to the average person their own nature The Truth About Love is written in question and answer form which gives the advantage of allowing the reader to focus quickly on questions of personal interest and to reflect on each issue before moving on to a new concept The first section Love The Key comprises the central theory which explains the phenomenon of love You learn how love transcends its reputation as a romantic attachment to another person and gives you a basic premise for understanding most aspects of human nature The second section Emotion and Feeling gives a complete explanation of emotion and for the first time an explanation of feeling apart from emotion This new knowledge is used to examine old philosophical questions about human nature such as altruism creativity and happiness The third section Motivation relates the central theory to your everyday life giving structure and meaning to your thoughts and actions in a simple and concise way Also in this section is perhaps the most important application of the concepts of love emotion and feeling in an explanation of self love In conclusion you will discover how self love leads to optimum mental health and how this affects other areas of your life The Truth About Love provides answers that you cannot find in textbooks but that you ask yourself everyday They are simple questions and simple answers that will change your life [Tell Me the Truth About Love](#) Susanna Abse,2022-05-19 Brilliant and touching Maggie O Farrell A must read for everyone wanting to understand more about what makes us fall in and out of love Philippa Perry A charming useful kind book about the pains and hopes of relationships Alain de Botton Drawing on over 30 years of therapeutic encounters with people facing hurdles in their love lives former Chair of the British Psychoanalytic Council Susanna Abse takes us deep inside one of the most fascinating realms there is other people s relationships Candid and captivating each chapter is inspired by a classic timeless story Parents blow their straw house down Rapunzel yearns for companionship but remains trapped in her castle Couples strive to navigate the fall from Eden the bitter taste of the poison apple and strangers in their beds From dealing with infidelity to navigating our changing role within a single relationship over the course of a lifetime Tell Me the Truth About Love sheds vivid light on the human heart and its struggle to both embrace life s greatest gift and protect itself from pain Inside you will find solace wisdom and unparalleled insight into how and why we love *The Truth About Love* Patricia Love,2001-06-05 Offering a revelatory new perspective on loving relationships the author of Hot Monogamy guides readers through the natural stages of love high and low and shows how not to break up before the breakthrough *The Real Truth About Love* Marisa Goldstein,2014-02-27 As a little girl Willow Mazer always knew in her heart that life had something more in store for her than what she had heard and read in fairytales She knew that aside from the fantasy of marriage family and white picket fences something inside was challenging her to find her own truth Willow is now in her early thirties and what she thinks is an innocent trip to Florida to visit her dying

for diet for The truth is we are creators of love not discoverers of love and until we realise that love comes out of us rather than to us we ll never really get it or feel it Conor Creighton learned this the hard way with a string of tumultuous relationships in his past That was until through meditation he woke up to the powerful force that is self love and watched as his relationships and the whole world transformed around him In a unique hybrid of memoir and self help here Conor uses his life lessons to help readers wake up to the truth about love A modern manifesto and spiritual guide to relationships The Truth About Love makes a daring call to action showing how to change yourself and the world around you through the courageous act of opening your heart
