Twisted City Rebekah Vasick,2019-05-25 LARGE PRINT Who would have known falling in love could be so dangerous On the run from the demons in her past Eva ends up in Twisted City sharing an apartment with her best friend Alice Desperate for money she applies for a job singing at a local nightclub When she meets the owner Angelo there s no denying the pull she feels towards him despite his reputation as a ladies man But Angelo has a secret of his own his real job is as a capo for one of the city s most notorious mob bosses It seems that he s just as dangerous as the people she s running from but is he really Or is he capable of being the protector Eva so desperately needs Can she trust him with her life and more importantly with her heart Trigger Warning Though Twisted City is a romance novel it does come with some pretty deep messages that involve child abuse and sexual abuse What happened to Eva is horrific and happens to many others in many different forms Not just strangers but in marriages families and by those who claim to love us The purpose of this story is to show there is light at the end of the tunnel Even after the most degrading humiliating tortuous acts one human being can inflict on another joy and love can prevail My hope is to let victims know they are strong they are beautiful and they are most certainly not alone Don t be afraid to reach out and talk to others There are many support groups to help you through this If you are triggered by stories about child abuse or sexual abuse this book probably isn t for you It is graphic in nature not just the attack but it is needed to get the message across

**Twisted King** Ria Wilde,2021-10-20 Lex They ve taken my girl My little bird I ll do whatever it takes to get her back even if it means I have to level this city to the ground They ve woken the monster and I ll be damn sure my face is the last one they see before I send them all to hell Wren Beaten Bruised Broken They want me weak and submissive but they ve underestimated me I m no damsel They ve taken me from Lex and I know he ll do everything to get me back After all I m the queen of this city and my rightful place is next to the King It s time to end this war Twisted King is the second and final book in the Twisted City Duet It cannot be read as a standalone A Dark dangerous deliciously sinful mafia romance

*Twisted City* Ria Wilde,2022-08-05 Includes an exclusive extended epilogue For as long as I can remember my family has ruled the city of Brookeshill Driven by power and corruption we rule with an iron fist and act without mercy And when someone crosses a Silver Well they pay with their blood That had been the plan Wren Valentine was a sure target an easy pawn to use in the war against her father Or so I thought I hadn t anticipated how easily I would fall under her thrall and it s not long before the pawn becomes the queen Except I have many enemies and there are people out there determined to take what is rightfully mine I would keep Wren and I would keep my city Or I d destroy everything in my path This is the complete Twisted City Duet containing both Little Bird and Twisted King and features an exclusive extended epilogue set 3 months after the ending of Savage Heart This is a dark mafia romantic suspense It contains themes throughout often found in the dark romance genre A list of these can be found on the Authors website

**Twisted City** Rebekah Vasick,2019-05-23 Who would have known falling in love could be so dangerous On the run from the demons in her past Eva

ends up in Twisted City sharing an apartment with her best friend Alice. Desperate for money she applies for a job singing at a local nightclub. When she meets the owner Angelo there's no denying the pull she feels towards him despite his reputation as a ladies man. But Angelo has a secret of his own his real job is as a capo for one of the city's most notorious mob bosses. It seems that he's just as dangerous as the people she's running from but is he really? Or is he capable of being the protector Eva so desperately needs. Can she trust him with her life and more importantly with her heart? Trigger Warning! Though Twisted City is a romance novel it does come with some pretty deep messages that involve child abuse and sexual abuse. What happened to Eva is horrific and happens to many others in many different forms. Not just strangers but in marriages families and by those who claim to love us. The purpose of this story is to show there is light at the end of the tunnel. Even after the most degrading humiliating tortuous acts one human being can inflict on another joy and love can prevail. My hope is to let victims know they are strong they are beautiful and they are most certainly not alone. Don't be afraid to reach out and talk to others. There are many support groups to help you through this. If you are triggered by stories about child abuse or sexual abuse this book probably isn't for you. It is graphic in nature not just the attack but it is needed to get the message across.

**Dark Places and Little Tramps** Juri Nummelin, 2025-05-15. Dark Places and Little Tramps collects Juri Nummelin's writings on noir, hardboiled sleaze and other literary genres of yesteryear. The author has written extensively about genre fiction and popular culture for more than four decades but this new volume is the first publication of his writings in English. Among many other subjects it features a lengthy section on neo noir and writers like Gillian Flynn, Allan Guthrie, Jason Starr and Duane Swierczynski. He also investigates British spy and crime fiction and includes chapters on western and horror. Nummelin shines new light to many of these areas such as the largely forgotten topic of sleaze paperbacks.

**Twisted City** Jason Starr, 2015-09-01. Winner of the Anthony Award. From the acclaimed noir novelist Jason Starr comes this savage portrait of a misanthropic man stuck in a New York nightmare. Written in caustic, streamlined prose, Twisted City is a chilling depiction of how quickly one's life can take a turn for the worst. Times are tough for David Miller, a journalist for a second-rate financial magazine who hates his boss, is tired of supporting his girlfriend's partying lifestyle and recently lost his sister to cancer. But things are about to get much worse. When he loses his wallet in a midtown bar, he is launched into a world where he finds himself being blackmailed by junkies, lying to his friends and family and stumbling into a crime that may cost him his life.

*Twisted City* Jason Starr, Bernhard Robben, 2005. Was tun wenn dich ein Junkie mit dem gestohlenen Foto deiner gerade verstorbenen Lieblingschwester erpre t? David Miller tut das. D mmste was man tun kann. Er gibt nach. Von da an geht s bergab. Eine Entdeckung. **Twisted City** Jeremy Mac, 2017-10-17. TWISTED CITY. Cataclysmic events rock the world bringing with it a wave of panic and destruction. Civilization has never seen. Cities tear themselves apart, governments crumble, countries wither and die, and to add to the catastrophe a deadly virus, simply referred to as The New Disease, follows in the wake. Many survivors adopt a resilient ruthlessness to equalize their modern nature with that of the world of today for

the sake of survival But there are still those who dwell within the remnants of yesteryear desperately holding on to a thread of hope for a better tomorrow Claxton once known as the City of Cities has divided itself into two opposing sides The north side now named The Pinnacle has rebuilt itself to nearly economic perfection within its concrete and steel environment with fully operational farms and gardens and a perpetual supply of purified water The south side Maddick named for the man who leads them is infested with all walks of madness and criminals from what was spat from the bowels of the old world and they are all overwrought with bloodlust and envy The Pinnacle is barricaded within high walls the front gate is the only access armed guards walk these walls and gate around the clock but The Pinnacle has been breached before and with the right instrument it can be breached again And then a stranger to the city shows up in a pristine vehicle loaded with food and weapons But the mysterious stranger hasn't come to battle nor to barter with either side The reason for his sudden presence runs much deeper than anyone can imagine and he will do whatever it takes to fulfill that reason

**Out of the Sky** Matti Friedman, 2026-03-24 Was it one of the war's most memorable feats of valor or an act of desperation even madness In *Out of the Sky* Matti Friedman unravels one of the strangest episodes of World War II In 1944 a team of young women and men who had escaped the Holocaust made the inconceivable choice to parachute back into Nazi occupied Europe under the cover of a British military operation Yet by the end of the mission not a single Nazi was harmed

and not a single Jew was saved and many of the parachutists died in the process Even so some of their names would become legendary especially that of twenty three year old Hannah Senesh the author of the beloved Hebrew song Eli Eli Their story would become one of the young state of Israel s founding myths but what exactly was the mission and what had the parachutists actually accomplished What made them heroes Using thousands of original documents from once secret files manuscripts memoirs and unpublished letters Matti Friedman follows four of the parachutists from the spring of 1944 to the operation s dramatic end that winter In *Out of the Sky* he tells the gripping and surprising tale of a forgotten moment demonstrating how storytelling itself can have a power even greater than warfare And in exploring the line between myth and reality heroism and futility he creates an argument that has resonance in our own time [Toledo City Journal](#) ,1929
