

Monday

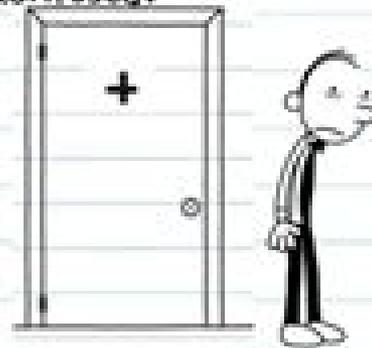

Rodrick is in a coma right now.

I haven't fully gotten over the shock yet but I'll just tell you what I know so far. So apparently Rodrick and Bill went to the gas station on Hursley Street and Bill went to the store to buy some snacks, and when Bill got back, Rodrick was gone. He found him unconscious not far away beaten up very badly. He's in the hospital right now.

I found out about this this morning in Socials Studies, when I was called to the school office.

I'm in the hospital right now, mom just keeps crying, Manny seems oblivious to the situation which isn't that surprising, Dad came by to check on him before going back to work, he just looks so sad and confused.

I'm going to call Holly to tell her that I can't go to her house today. I'll just tell her I'm going to Leisure Towers to visit my grandpa.

Two Diaries

Two Diaries:

Two Diaries Marcus Rian,2008-05-23 This book is an excavation through journals and letters of the history of two artists dedicated to creating meaningful expressions It chronicles their experiences surprises and loses sorrows and joys as their love develops and they explore their imaginations and capabilities As their paths separate the diaries contain the crucial feelings that they could not communicate in person Then their personal dialogue reconnects under tragic circumstances

The Wuhan Lockdown Guobin Yang,2022-02-15 A metropolis with a population of about 11 million Wuhan sits at the crossroads of China It was here that in the last days of 2019 the first reports of a mysterious new form of pneumonia emerged Before long an abrupt and unprecedented lockdown was declared the first of many such responses to the spread of the COVID 19 pandemic around the world This book tells the dramatic story of the Wuhan lockdown in the voices of the city s own people Using a vast archive of more than 6 000 diaries the sociologist Guobin Yang vividly depicts how the city coped during the crisis He analyzes how the state managed or mismanaged the lockdown and explores how Wuhan s residents responded by taking on increasingly active roles Yang demonstrates that citizen engagement whether public action or the civic inaction of staying at home was essential in the effort to fight the pandemic The book features compelling stories of citizens and civic groups in their struggle against COVID 19 physicians patients volunteers government officials feminist organizers social media commentators and even aunties loudly swearing at party officials These snapshots from the lockdown capture China at a critical moment revealing the intricacies of politics citizenship morality community and digital technology Presenting the extraordinary experiences of ordinary people The Wuhan Lockdown is an unparalleled account of the first moments of the crisis that would define the age

Public Choice Theory Made Simple Umang Marar,2025-01-03 Public Choice Theory Made Simple explains why it s often expected that governments should address market failures and the critical flaws in this belief We discuss how markets are competitive processes and without perfect competition we cannot know what might have happened if it did exist Thus governments cannot fix market failures they can only eliminate obstacles to competition When externalities are blamed for market failures it is argued that markets should determine the value of those externalities to the affected individuals The coercive power of governments and the absence of direct competition in the political system often lead to government failure which can be more dangerous than market failure In representative democracies the self interest of a few individuals can result in decisions detrimental to the majority The term market failure is frequently used by politicians journalists and students but many lack a proper understanding of the government s ability to address these failures Public Choice economics applies insights about human behavior to the process of government offering valuable lessons for those interested in public policy This book helps readers understand the limitations of government intervention in market failures and explains the implications of Public Choice economics for designing government systems a topic highly relevant in contemporary political debates

Literary Couples and 20th-Century Life Writing Janine

Utell, 2019-11-14 Exposing how modernist and late modernist writers tell the stories of their intimate relationships through life writing this book engages with the process by which these authors become subjects to a significant other a change that subsequently becomes narrative within their works Looking specifically at partners in a couple Janine Utell focuses on such literary pairings as Virginia and Leonard Woolf Gertrude Stein and Alice B Toklas Sylvia Townsend Warner and Valentine Ackland Christopher Isherwood and Don Bachardy and Sylvia Plath and Ted Hughes Utell draws on the latest work in narrative theory and the study of intimacy and affects to shed light on the ethics of reading relationships in the modern period Focusing on a range of genres and media from memoir through documentary film to comics this book demonstrates that stories are essential for our thinking of love desire and sexuality
