*Atlas of Alberta Lakes* Patricia Mitchell, Ellie E. Prepas, 1990 This compilation of data on 100 lakes in Alberta outside the mountain areas covers physical characteristics water quality wildlife recreational opportunities and access for each lake and includes maps photographs diagrams and statistical tables Woman in Her Infinite Variety George Graham Currie, 1925

**Manufacturing National Park Nature** J. Keri Cronin, 2011-07-01 Jasper National Park is an international travel destination world heritage site and icon of Canadian identity Although national parks occupy a prominent place in the Canadian imagination we are only beginning to understand how their visual imagery has shaped and continues to inform our perception of the natural world ecological issues and ourselves In *Manufacturing National Park Nature* J Keri Cronin draws on visual images such as postcards and tourist snapshots to show that popular forms of picturing nature can have ecological implications that extend far beyond the frame of the image Adopting an ecocritical approach to visual culture she reveals that packaging Jasper as a series of breathtaking vistas and adorable looking animals masks the real threats to the park s ecosystems In telling the story of how various groups have used photography to shape our ideas about nature this book sets the stage for a re examination of protection policies and acknowledgment of environmental damage in national parks
