ROMANCE & FINANCE Guvench G Gench,2020-03-28 Romance Finance is the story of Goldash a pleasant poet and ambidextrous snooker player who meets his dream lady Oya a medical doctor and medical psychic purely by chance in a bookshop whilst studying in London Oya and Goldash have a very special loving relationship Their extraordinary love affair is ended by tragedy after just twenty one months and his life falls apart After that when he gives up on everything and lets himself go Mili a psychic and doctor of finance comes into his life He has a new beginning and works hard to bring rhythm and rhyme to his life to become a prosperous poet This novel is based on a true story of a man coming to terms with having to rebuild his life from scratch It shows how he copes with the comedies and tragedies presented to him as he slowly but surely moves onwards and upwards The story tells of the remarkable people he meets on the long lonely road to becoming a happy and wealthy man and how they all help and support him in his endeavour to achieve the goal he has set himself It tells a very honest story that will touch the hearts of readers and listeners from all walks of life and will make them both laugh and cry before they reach the end
