THE WILDERNESS TRAIL (A Western Classic) Francis William Sullivan,2017-04-29

Donald MacTavish is the newly appointed head commissioner of the Hudson s Bay Company This promotion infuriates MacTavish s rival Angus Fitzpatrick who had wanted the job Fitzpatrick takes his anger and resentment out on MacTavish and then sets out to get MacTavish fired On the other hand Fitzpatrick accuses MacTavish of stealing furs that were actually stolen by a group of thieving traders led by Sergius And to complicate matters both MacTavish and Sergius are in love with Fitzpatrick s young daughter Jeanne The book was also adapted into a 1919 Hollywood silent film whose prints are now lost Excerpt Donald MacTavish glared down into the heavy ugly face of his superior a face that concealed behind its mask of dignity emotions as potent and lasting as the northland that bred them I accuse you of nothing Fitzpatrick pawed his white beard I only know that a great quantity of valuable furs trapped in your district have not been turned in to me here at the factory It is to explain this discrepancy that I have called you down by dogs in the dead of winter Francis William Sullivan was an author of western fiction [The Wilderness Trail](#) ,2025 **The Wilderness Trail** George Hunt,2004-09 As the twilight turned into night the pyramids lay deserted The Tuaregs on silent horses were flying across the desert around the pyramids and the

great Sphinx making sure that what was about to take place was unobserved A cortege of torches was winding its way down the tall dune towards the great Sphinx Phillipa holding the silver Urn with the Heidrichs ashes rode at the center of the cortege Reaching the Sphinx the torchbearers broke into two columns to form an honor guard of light through which Phillipa rode to meet the matriarch standing between the Sphinx s mighty paws Phillipa slowly handed the urn to her A deep hole had been chiseled into the Sphinx s chest where one would think the heart might be The urn was pushed gently into the cool depth of the Sphinx The opening disappeared in front of Phillipa s eyes under the skilled hands of a stonemason No one would suspect that the Sphinx had been tampered with One by one the Tuareg torchbearers rode up the passage between the mighty paws of the Sphinx and dropped their torches in front of the Heidrichs secret burial chamber a final salute to the man who had translated their tablets That night they slept outside under the stars The matriarch s stallion came to greet Phillipa She rubbed his forehead and velvety nose and then kissed it as she had done long ago when she had been here with Udah Singh He likes you and wishes you well said the matriarch behind her You have a gift with horses that I have not seen before She continued You still love both equally and that confuses you profoundly Give yourself permission to love and be loved Don t let conventions and western customs dictate your life Live happy and free

The Wilderness Trail Francis William Sullivan,2016-09-02 Excerpt ed and smiled wanly There s an Indian proverb that says When the wind dies there is no more music in the corn she replied There is no more music in my heart that is all What made it die I can t tell you Evil reports about me he snarled suddenly drawing down his dark brows and fixing her with piercing eyes that had gone almost black Not evil reports merely half baked rumors that really had very little to do with you after all Yet they changed me She was still wholly frank Who carried them to you he demanded tensely the muscles of his firm jaws tightening as his teeth clenched Tell me who spread them and I ll run him to earth if he leads me through the heart of Labrador I don t know she returned earnestly rising in her turn That s the trouble with rumors They re like a summer wind they go everywhere unseen but everyone hears them and none can say out of which direction they first came or when they will cease
