Wilderness War:

The Wilderness War Allan W. Eckert,1990 A narrative account of the defeat and dispossession by 1780 of the Iroquois tribes of New York State and upper Pennsylvania despite the valor of the great chief Joseph Brant **The Wilderness War** Allan W. Eckert,1978 **Wilderness War on the Ohio** Alan Fitzpatrick,Sylvia Rutledge,2003-01-01 Tropical Leviathan Aaron Graham,2025-01-24 The colonial Jamaican state was immensely wealthy but it was a society consumed by fear The White population feared the possibility of enslaved rebellion and foreign invasion and the Black population feared their cruel treatment as overworked labourers on Jamaica s brutal but economically productive sugar plantations With the wealthy White population investing heavily in security to protect themselves from the rebelling enslaved majority it was a society at war The wealth of the plantation system meant that White Jamaicans and their imperial representatives were able to secure the finances for this until the last decade of the eighteenth century By the early nineteenth century however the cost was proving increasingly burdensome and the great slave rebellion of 1831 32 proved fatal to the financial and political viability of the colonial state leading to emancipation in the mid 1830s Tropical Leviathan re evaluates the political and economic history of the colonial Jamaican state in the tumultuous age of revolution and abolition With a large body of previous unknown data it provides empirical evidence of a functioning colonial state that contrary to previous interpretations was far from declining in the years immediately before the abolition of the slave trade in 1807 Aaron Graham provides in depth analysis of the ways in which Jamaica s economy attempted but eventually failed to provide the resources that would maintain Jamaica as a functioning plantation state and explains how the cost of securing the colonial state against enslaved opposition eventually led to near state bankruptcy and to enslaved emancipation Tropical Leviathan is a comprehensive study of the complex intersections between slavery and security in a slave society and an important re evaluation of Jamaica in the age of revolution and abolition The making breaking and remaking of the colonial state emerges as key in the rise and fall of slavery in Jamaica **The First Way of War** John Grenier,2005-01-31 This 2005 book explores the evolution of Americans first way of war to show how war waged against Indian noncombatant population and agricultural resources became the method early Americans employed and ultimately defined their military heritage The sanguinary story of the American conquest of the Indian peoples east of the Mississippi River helps demonstrate how early Americans embraced warfare shaped by extravagant violence and focused on conquest Grenier provides a major revision in understanding the place of warfare directed on noncombatants in the American military tradition and his conclusions are relevant to understand US special operations in the War on Terror **The Covenant** George Wesley Buchanan,2012-07-23 Buchanan has unlocked an interesting conflict that took place in Scripture and has important ethical implications that continue until today There are only two passages in Scripture that report something that God reckoned to anyone as righteousness One of these is the covenant made with Abraham that included the promises of prosperity posterity and the land if the people obeyed but curses

of famine disease wild beasts and the sword if they disobeyed The other covenant was made with Phineas It also expected to receive the promises but demanded different behavior It was designed to repudiate the covenant made with Abraham Buchanan has traced the results of these covenants as they were followed by the parties to the contracts from Abraham to Jesus Paul and Marcion in antiquity and as far as Martin Luther King today Originally these conflicts were played out within the borders of Palestine and according to the character of life that the contracts directed and the righteousness associated with their fulfillment
