**Home Computer Security On the Cheap** Lance Jeffery, 2013-05-21. Keep your family safe from pornography, malware, and other online threats. Every day we browse hundreds of websites hoping to make a purchase, interact with friends, read the news, watch movies, or explore the next big thing. Unfortunately, the Internet is ripe with information, movies, and pictures that we should avoid in order to keep our identities, children, and our computers safe. Armed with the knowledge of how to implement the free tools mentioned in this book, you will be able to take back your Internet freedom and remove the possibility of stumbling across one of those sites. [The Single Parent's Money Guide](#) Emily Card, 1996. Single parents are one of the fastest growing groups in America. There are now nearly nine million single parent families across the country. These parents face unique problems that can be difficult to solve, especially concerning money. Written by single parent Emily Card, *The Single Parent's Money Guide* addresses every major money issue facing the single parent family. *Home Automation For Dummies* Dwight Spivey, 2015-02-09. The easy way to control your home appliances. Do you want to control common household appliances and amenities from your smartphone or tablet wherever you happen to be? *Home Automation For Dummies* guides you through installing and setting up app-controlled devices in your home, such as heating and air conditioning, lighting, multimedia systems, game consoles, and security and monitoring devices, and even suggests popular products to consider. The saturation of the mobile market with smart devices has led to an upsurge in domestic devices such as thermostats, refrigerators, smoke detectors, security systems, among others that can be controlled by those devices. Both Google and Apple offer fully integrated solutions for connecting mobile devices to home theater and audio systems, and now Google has branched out into smart thermostats and smoke detectors. If you've caught the bug and want to get your feet wet in this cool new phenomenon, *Home Automation For Dummies* gives you plain English, step-by-step instructions for techifying your home without breaking a sweat. Provides clear instructions on remotely controlling your home appliances. Shows you

how to set preferences to automatically adjust lighting or temperature Explores digital life hacks that explain how non app ready appliances can be controlled via smart phones using third party go betweens Covers an emerging segment of the industry that was one of the primary focuses of this year s Consumer Electronic Show If you re looking to find new ways to simplify and better control your home environment using app driven devices your phone or tablet Home Automation For Dummies makes it easier
