Defining Socialization: The Process of Learning Cultural Norms and Values

Socialization is a fundamental aspect of human development, shaping our thoughts, behaviors, and values. It is the ongoing process through which individuals learn the norms, values, beliefs, and behaviors of their culture. These learned patterns of behavior, attitudes, and values are essential for individuals to function effectively within their society.

From a young age, individuals are exposed to various socialization agents, including family, peers, schools, and the media.
