

# READING OF SCRIPTURE

- ▶ **CONTEXTUAL**– It is important to study Bible passages and stories within their context. Taking verses out of context leads to all kinds of error and misunderstanding. Understanding context begins with four principles: literal meaning (what it says), historical setting (the events of the story, to whom is it addressed, and how it was understood at that time), grammar (the immediate sentence and paragraph within which a word or phrase is found) and synthesis (comparing it with other parts of Scripture for a fuller meaning). –
